

General Terms and Conditions

These general terms and conditions (“General Terms”) are part of a legally binding agreement, which is confirmed or accepted when an Order (as defined in Section 1 below) is made or an “Accept” or similar button, and/or a check box presented with these General Terms (or a Schedule, defined below, incorporating these General Terms) is clicked and/or checked by you, for any one or more of the following Entrust products and services (each, an “Offering”): (a) one or more executable software modules and associated deployment tools in machine-readable form (“Software”); (b) managed or cloud services hosted by Entrust or its hosting providers (“Hosted Service”); (c) technical support, training and Software maintenance (“Support”); and (d) consulting and other professional services (“Professional Services”).

You, as the individual clicking and/or checking the aforementioned buttons and/or boxes, represent and warrant that you are lawfully able to enter into contracts (e.g. you are not a minor). If you are entering into the Agreement on behalf of a legal entity, for example the company or organization you work for, you represent to us that you have legal authority to bind such legal entity. IF YOU DO NOT ACCEPT THE TERMS AND CONDITIONS OF THE AGREEMENT (OR YOU DO NOT HAVE THE LEGAL AUTHORITY TO ENTER INTO CONTRACTS OR TO BIND THE LEGAL ENTITY ON WHOSE BEHALF YOU ARE PROVIDING SUCH ACCEPTANCE), YOU SHALL NOT ACCESS, USE, DOWNLOAD, AND/OR INSTALL THE ENTRUST OFFERING. THE CONTINUED RIGHT TO ACCESS AND USE THE ENTRUST OFFERING IS CONTINGENT ON CONTINUED COMPLIANCE WITH THE TERMS AND CONDITIONS OF THE AGREEMENT BY YOU (AND BY THE LEGAL ENTITY ON WHOSE BEHALF YOU ARE PROVIDING ACCEPTANCE).

In consideration of the commitments set forth below, the adequacy of which consideration the parties hereby acknowledge, the parties agree as follows.

1. **Contract Structure and Parties.**

- 1.1. These General Terms govern access to and use of certain Entrust Offerings, each of which consists of the features, and is further subject to the offering-specific terms and conditions, set out in the applicable terms of use or schedule attached hereto, or available at <https://www.entrust.com/legal-compliance/terms-conditions> (each set of terms of use and each schedule, a “Schedule”).
- 1.2. An “Order” for one or more Offering(s) means (i) a Customer-issued purchase order (excluding any terms and conditions thereon) that refers to a valid Entrust quote for one or more Offering(s) and incorporates these General Terms; (ii) an electronic order submitted via Entrust’s online portal which facilitates transactions over the Internet; (iii) an order acknowledgement issued by Entrust and signed by or on behalf of Customer; or (iv) a statement of work for Professional Services (defined below) duly signed by each party.
- 1.3. Each Order, together with these General Terms and the applicable Schedule(s) for the Offering(s) listed on the Order constitute the “Agreement” between the purchasing entity named in the Order (“Customer”) and any one of the following Entrust entities named in that Order (“Entrust”):-
 - (i) nCipher Security Limited; (ii) nCipher Security, LLC; or (iii) nCipher Security (Hong Kong) Limited; (iv) Entrust (Europe) Limited; (v) Entrust, Inc.; or (vi) Entrust Limited.

In the Agreement, “Affiliate” means, with respect to Entrust, any subsidiary (direct or indirect) of Entrust Corporation (including without limitation nCipher Security entities listed above), and, with respect to Customer, any corporation or other entity that is directly or indirectly controlled by Customer either through ownership of fifty percent (50%) or more of the voting rights for the board of directors or other mechanism of control.

2. **Customer’s Users.** Customer is responsible for the use of the Offering by any individual, organization or legal entity (each, a “Person”) who directly or indirectly receives access to, or the ability to use, the Offering or any component thereof through the Customer, including any such Persons more specifically described in the user

guide, manual, technical specifications or release notes for the applicable Offering provided by Entrust, all as may be updated from time to time (“Documentation”) or described in the applicable Schedule (each such Person, a “User”). Any act or omission of a User with respect to an Offering is deemed to be the act or omission of Customer.

3. **Software.** If an Order calls for any Software to be provided to Customer (whether or not as part of or in connection with another Offering), the Schedule provided with the Software will apply. If no more specific Schedule is provided with the Software, the Schedule for the Software is the end user license attached at the end of these General Terms.
4. **Hosted Services.** If an Order calls for any Hosted Services to be provided to Customer (whether or not as part of or in connection with another Offering), the Schedule provided with the Hosted Service will apply.
5. **Support.** If an Order calls for Support to be provided by Entrust for an Offering, any such support will be provided pursuant to the then-current Support Schedule for the applicable Offering as referenced within the applicable Offering Schedule or available at <https://www.entrust.com/legal-compliance/terms-conditions>. Where support is purchased through an authorized reseller and the Order indicates that the reseller will provide support, then such support will be provided by the authorized reseller (and not Entrust).
6. **Professional Services.** If Entrust provides any Professional Services and deliverables with respect to any Offering, these General Terms will include the additional terms in the Professional Services Schedule located at <https://www.entrust.com/-/media/documentation/licensingandagreements/certificate-solutions-professional-services-schedule.pdf> with respect to such Professional Services, unless a separate agreement for Professional Services has been entered into between Customer and Entrust. An additional Schedule and/or an Order will further set out the scope and details of any Professional Services, including, if and as applicable, resource specialist(s), milestones, delivery dates, acceptance criteria, payment terms and any other information and terms related to the Professional Services.
7. **Other Entrust Products.** Certain Entrust hardware, equipment and supplies, including any associated firmware (“Hardware”), and other Entrust products or services that are not Offerings as defined herein (collectively, “Additional Entrust Products and Services”) may be sold, distributed, provided or otherwise made available to Customer (whether or not as part of or in connection with an Offering). Such Additional Entrust Products and Services will be subject to the applicable separate Entrust agreements that accompany such Additional Entrust Products and Services or that are otherwise made available by Entrust.
8. **General Restrictions.** Customer will not: (a) host, time-share, rent, lease, sell, license, sublicense, assign, distribute or otherwise transfer or allow third parties to exploit any component of any Offering, except as provided in the Agreement; (b) copy, modify, translate, reverse engineer, de-compile or disassemble, or create derivative works from any Offering except to the extent that law explicitly prohibits this restriction notwithstanding a contractual restriction to the contrary; (c) attempt to circumvent or disable any restriction or entitlement mechanism that is present or embedded in any component provided as part of any Offering; (d) provide any passwords or other log-in information provided by Entrust as part of any Offering to any third party; (e) share non-public features or content of any Offering with any third party; (f) access any Offering in order to build or benchmark against a competitive product or service, or to build a product or service using similar ideas, features, or functions of any Offering; (g) use any Offering to send or store infringing or unlawful material or viruses, worms, time bombs, Trojan horses and other harmful or malicious codes, files, scripts, agents or programs; (h) use any Offering bundled with or provided for use with another Offering independently of the applicable bundle or Offering with which it is intended to be used; or (i) use any Offering other than in compliance with all applicable laws and regulations.
9. **Fees and Taxes.** Customer will pay to Entrust the amounts set forth in the Order(s) (including where overages are applicable, any overage fees). All fees are non-cancellable and non-refundable. All amounts due under the Agreement to Entrust must be paid to the Entrust Affiliate that issued the applicable invoice. Except as otherwise stated in the applicable Order, fees will be invoiced at the beginning of the Offering Term, and Customer will pay all amounts payable under the Agreement within thirty (30) days of the date of the invoice, without setoff or counterclaim, and without any deduction or withholding. Customer will be responsible for any taxes (other than

taxes based on Entrust's net income), fees, duties, or other similar governmental charge. Should any taxes be due, Customer will pay such taxes. Entrust may elect to charge Customer interest for late fees at the lesser of 1.5% per month or the maximum rate permitted by law. Notwithstanding any of the foregoing, if Customer has purchased through an Entrust authorized reseller then the terms relating to fees and taxes will be those terms established between Customer and such reseller instead of those set out above. In addition, if payment is not received within five (5) business days of written notice that a payment is delinquent, Entrust may suspend provision of all or part of a product or service and may refuse any additional Orders.

10. Term and Termination.

- 10.1. The General Terms and Schedules shall be in effect commencing on the date the first Order is accepted and will remain effective for a period of three (3) years and shall automatically renew for one-year periods thereafter unless written notice of non-renewal is provided by a party to the other party no less than sixty (60) days prior to the end of the initial period or renewal period, as applicable, unless terminated sooner in accordance with this Agreement.
- 10.2. The obligations with respect to each Offering will commence on the date that the Order for the Offering is accepted by Entrust, unless otherwise specified in the Order or in the applicable Offering Schedule, and will remain effective for the period specified in the Order or in the applicable Offering Schedule, unless terminated earlier in accordance with this Agreement ("Offering Term").
- 10.3. Either party may terminate the Agreement by giving notice to the other party: (i) if the other party commits a material breach of the General Terms and fails to remedy such material breach within thirty (30) days after delivery of notice by the non-breaching party of the occurrence or existence of such breach or such longer period as may be agreed to in writing by the non-breaching party; (ii) if the other party (A) applies for or consents to the appointment of a receiver, trustee, or liquidator for substantially all of its assets or such a receiver, trustee, or liquidator is appointed, (B) has filed against it an involuntary petition of bankruptcy that has not been dismissed within thirty (30) days thereof, (C) files a voluntary petition of bankruptcy, or a petition or answer seeking reorganization, or an arrangement with creditors, or (D) seeks to take advantage of any other law relating to relief of debtors, or makes an assignment for the benefit of creditors; or (iii) with respect to a particular Offering, as otherwise provided in the applicable Schedule.
- 10.4. Effects of Termination and Expiration
 - 10.4.1. Termination or Expiration of General Terms. Termination or expiration (non-renewal) of the General Terms also terminates all Schedules and the parties' ability to enter into any new Orders (including Orders to renew). If there are any ongoing Offerings as at the date of a termination notice, the termination notice must specify whether it terminates the Agreement with respect to such Offering(s). If there are any ongoing Offerings as at the date of a non-renewal notice, unless the non-renewal notice also expressly provides a notice of termination pursuant to the Agreement with respect to the ongoing Offering, the Order for the ongoing Offering will remain effective until the end of the then-current Offering Term, and the General Terms and Schedules will survive in respect of that Offering and continue to govern such Offering until the end of the current Offering Term. During such survival period, no new Orders (including any Orders to renew) may be made.
 - 10.4.2. Termination of Agreement for Offerings. Upon termination of the Agreement for any Offering, Entrust will have no further obligation to provide the Offering, Customer will immediately cease all use of the Offering, and Customer will destroy any copies of documentation and delete any software Offering in its possession or control.
 - 10.4.3. General. Termination is without prejudice to any right or remedy that may have accrued or be accruing to either party prior to termination. Any provision of this Agreement which contemplates or requires performance after the termination of this Agreement or that must survive to fulfill its essential purpose, including the terms of this Section (Term and Termination), confidentiality, disclaimers, limitations and

exclusions of liability, and any payment obligations, will survive the termination and continue in full force and effect until completely performed.

10.4.4. Termination Fees. In the event of any termination by Customer, Customer is required to pay to Entrust any unpaid fees for any terminated Offerings in accordance with Section 9 (Fees and Taxes). Entrust will not be required to refund the Customer any fees paid in advance.

11. **Confidentiality.** In this Section (Confidentiality), “Discloser” means the party that discloses Confidential Information (defined below), and “Recipient” means the party that receives it. If Confidential Information is disclosed or received by an Affiliate of a party, it is deemed to have been disclosed or received by the party itself. The Recipient will use all Confidential Information it receives only for the purpose of exercising its rights and fulfilling its obligations under the Agreement. Recipient will treat such Confidential Information with the same degree of care against unauthorized use or disclosure that it affords to its own information of a similar nature, but no less than reasonable degree of care. Recipient will not remove or destroy any proprietary or confidential legends or markings placed upon any documents or other materials. Recipient will only disclose Discloser’s Confidential Information to Recipient’s and its Affiliates’ personnel and agents with a need to know (“Recipient Agents”). Recipient shall be responsible for ensuring Recipient Agents comply with the confidentiality obligations of this Section (Confidentiality) and any acts or omissions of a Recipient Agent in breach of the terms and conditions of this Section (Confidentiality) shall be considered the acts or omissions of the Recipient. “Confidential Information” means any business, technical, financial, or other information, however conveyed or presented to the Recipient, that is clearly designated by the Discloser as being confidential or that ought reasonably to be considered confidential by the Recipient, including all information derived by the Recipient from any such information. Confidential Information does not include any information that: (i) is expressly excluded from the definition of Confidential Information in an applicable Schedule; (ii) was lawfully known by Recipient prior to disclosure; (iii) was lawfully in the public domain prior to its disclosure, or becomes publicly available other than through a breach of the Agreement; (iv) was disclosed to Recipient by a third party without a duty of confidentiality to the Discloser; or (v) is independently developed by Recipient without reference to Discloser’s Confidential Information. If Recipient is compelled pursuant to legal, judicial, or administrative proceedings, or otherwise required by law, to disclose Confidential Information of the Discloser, Recipient will use reasonable efforts to seek confidential treatment for such Confidential Information, and, if and as permitted by law, will provide prior notice to the Discloser to allow the Discloser to seek protective or other court orders. Recipient agrees that its breach of this Section (Confidentiality) may cause Discloser irreparable injury, for which monetary damages may not provide adequate compensation, and that in addition to any other remedy, Discloser may be entitled to injunctive relief against such breach or threatened breach. Personal Data and Excluded Data (each as defined in Section 12 (Data Protection) below) are excluded from the general definition of “Confidential Information” and the application of this Section (Confidentiality) but are subject to the specific confidentiality and other provisions of Section 12 (Data Protection).

12. **Data Protection.**

12.1. To the extent that Entrust processes any Personal Data (as defined in the latest version of Entrust’s customer data processing agreement (“DPA”), which is available at <https://www.entrust.com/legal-compliance/data-privacy>) on Customer’s behalf and in performance of the Agreement, the terms of the DPA, which are hereby incorporated by reference, shall apply and the parties agree to comply with such terms. Customer’s acceptance of this Agreement shall be treated as acceptance and signing of the DPA (including the Standard Contractual Clauses attached to the DPA). Entrust reserves the right to update the DPA from time to time to comply with legal and regulatory requirements, and to keep current with upgrades and enhancements to its products and services. The latest version posted on Entrust’s website shall always apply.

12.2. Customer represents and warrants that it will not provide or transfer or cause to be provided or transferred to Entrust any Excluded Data, except if and as the provision or transfer of Excluded Data is expressly required and addressed in a Schedule. “Excluded Data” means: (i) social security numbers or their

equivalent (e.g., social insurance numbers), driver license numbers, and health card numbers; (ii) other personal data that would be considered sensitive in nature including information regarding racial or ethnic origin, political opinions, religious or philosophical beliefs, or trade union membership, genetic data, biometric data, data concerning health or data concerning a natural person's sex life or sexual orientation; (iii) data falling into a "special category of data" under EU General Data Protection Regulation; (iv) "cardholder data" as defined by the Payment Card Industry Data Security Standards; (v) data regulated under the Health Insurance Portability and Accountability Act or the Gramm-Leach-Bliley Act or similar laws or regulations in place now or in the future in the applicable jurisdiction (collectively, the "Excluded Data Laws"). Customer recognizes and agrees that, except to the extent specified in a Schedule: (i) Entrust has no liability for any failure to provide protections set forth in the Excluded Data Laws or otherwise to protect excluded data; and (ii) Entrust's Offerings are not intended for management or protection of Excluded Data and may not provide adequate or legally required security for Excluded Data.

13. Disclaimer of Warranties. Any warranties for Offerings will be expressly stated in the applicable Schedule or Order; except as may be so expressly stated in the applicable Schedule or Order, each Offering is provided "as is", and Entrust and its Affiliates, licensors and suppliers disclaim any and all representations, conditions or warranties of any kind, express or implied, including warranties of non-infringement, title, merchantability or fitness for a purpose, satisfactory quality, or any representations, conditions or warranties implied by statute, course of dealing, course of performance, or usage or trade. Entrust makes no representations, conditions or warranties regarding any third party product or service, including any Third Party Vendor Product as defined below, with which any Offering may interoperate. Entrust makes no representations, conditions or warranties that any Software will perform without interruption or error.

14. Indemnities.

14.1. Intellectual Property Claims.

14.1.1. Intellectual Property Indemnity. Entrust shall defend at its expense (including, for clarity, bearing court costs and reasonable attorney's fees) Customer against any claims by third parties that the Software and/or Hosted Service furnished and used within the scope of the Agreement infringes upon or misappropriates a patent, trademark, copyright, trade secret or other intellectual or proprietary right (an "IP Claim"), and will pay any (i) amounts finally awarded against Customer by a court or arbitrator in any proceeding related to such IP Claim or (ii) settlement amounts approved in accordance with this Section (Indemnities).

14.1.2. Mitigation by Entrust. If (i) Entrust becomes aware of an actual or potential IP Claim, or (ii) Customer provides Entrust with notice of an actual or potential IP Claim, Entrust may (or in the case of an injunction against Customer, shall), at Entrust's sole option and expense: (i) procure for Customer the right to continue to use the affected portion of the Software or Hosted Service; (ii) modify or replace the affected portion of the Software or Hosted Service with functionally equivalent or superior software so that Customer's use is non-infringing; or (iii) if (i) or (ii) are not commercially reasonable, terminate the Agreement with respect to the affected Software or Hosted Service and refund to the Customer, as applicable, either (A) any perpetual license fees paid for the affected Software depreciated over a three (3) year period from the date of delivery on a straight line basis less any outstanding moneys owed on such affected portion of the Software; or (B) any prepaid and unused subscription fees for the affected Software or Hosted Service for the terminated portion of the applicable Offering Term.

14.1.3. Exceptions to Indemnity. Entrust shall have no liability for any IP Claim in respect of any Software or Hosted Service to the extent that: (i) such Software or Hosted Service is used by Customer outside the scope of the rights granted in the Agreement or in a manner or for a purpose other than that for which it was supplied, as contemplated by the Documentation; (ii)

such Software or Hosted Service is modified by Customer; (iii) such Software or Hosted Service is used by Customer in combination with other software or services not provided by Entrust and the infringement arises from such combination or the use thereof; (iv) the IP Claim arises from information, data or specifications provided by Customer; (v) the Software or Hosted Service was provided on a beta testing, proof of concept, evaluation or “not for resale” basis; or (vi) the IP Claim relates to the use of any version of the Software other than the current, unaltered release, if such IP Claim would have been avoided by the use of a current unaltered release of the Software.

14.1.4. THE PROVISIONS OF THIS SECTION 14 (INTELLECTUAL PROPERTY CLAIMS) ARE SUBJECT TO SECTION 15 (LIABILITY) AND STATE THE SOLE AND EXCLUSIVE LIABILITY OF ENTRUST AND ITS AFFILIATES AND THE SOLE AND EXCLUSIVE REMEDY OF CUSTOMER WITH RESPECT TO ANY CLAIM OF THE NATURE HEREIN.

- 14.2. **Customer Data and Use Claims.** Customer agrees to defend, indemnify and hold harmless Entrust, its Affiliates and licensors, and each of their respective employees, officers, directors, and representatives against any and all third party claims, demands, suits or proceedings, fines, costs, damages, losses, settlement fees, and expenses (including investigation costs and attorney fees and disbursements) arising out of or related to: (a) Customer’s breach of, or errors in providing, the representations and warranties set out in Section 12 (Data Protection), (b) the Personal Data or Excluded Data provided by the Customer or its Users (c) any inaccuracies in any data provided by Customer or Users to Entrust, and (d) the misuse or misconfiguration of any Software or Hosted Service by the Customer or any of its Users (each of (a)-(d), a “Customer Indemnified Claim”).
- 14.3. **Conditions.** The obligations in this Section (Indemnities) will apply only if indemnified party: (i) provides the indemnifying party prompt written notice of the IP Claim or Customer Indemnified Claim (“Claim”), provided that failure by the indemnified party to provide prompt notice will relieve the indemnifying party of its obligations only to the extent that the indemnifying party was actually and materially prejudiced by such failure; (ii) gives the indemnifying party the exclusive right to control and direct the investigation and defense of such Claim, including appeals, negotiations, and any settlement or compromise thereof, provided that the indemnified party will have the right to reject any settlement or compromise that requires that it or they admit wrongdoing or liability or that subjects it or them to any ongoing affirmative obligations; (iii) has not compromised or settled the Claim; and (iv) agrees to cooperate and provide reasonable assistance (at indemnifying party’s sole expense) in the defense.

15. Liability.

- 15.1. **In this Section (Liability), “Entrust” will be deemed to mean Entrust Corporation, its Affiliates, and their respective suppliers, licensors, resellers, distributors, subcontractors, directors, officers, and personnel.**
- 15.2. **In no event will Entrust be liable for, and Customer waives any right it may have to, any consequential, indirect, special, incidental, punitive or exemplary damages or for any loss of business, opportunities, revenues, profits, savings, goodwill, reputation, customers, use, or data, or costs of procurement or business interruption. For any given Offering, in no event will Entrust’s total aggregate liability arising out of or related to the Agreement or the use and performance of the Offering exceed the fees paid to Entrust for the Offering for the twelve months prior to the first event giving rise to liability, less any refunds, service credits or deductions.**
- 15.3. **The exclusions and limits in this Section (Liability) apply: (a) regardless of the form of action, whether in contract (including fundamental breach), tort (including negligence), warranty, indemnity, breach of statutory duty, misrepresentation, strict liability, strict product liability, or otherwise; (b) on an aggregate basis, regardless of the number of claims, transactions, digital**

signatures or certificates; (c) even if the possibility of the damages in question was known or communicated in advance and even if such damages were foreseeable; and (d) even if the remedies fail of their essential purpose. Customer acknowledges that Entrust has set its prices and entered into the Agreement in reliance on the limitations and exclusions in this Section (Liability), which form an essential basis of the Agreement.

- 15.4. **Notwithstanding anything to the contrary in this Section (Liability) or elsewhere in the Agreement, to the extent required by applicable law Entrust neither excludes nor limits its liability for: (i) death or bodily injury caused by its own negligence; (ii) its own fraud or fraudulent misrepresentation; or (iii) other matters for which liability cannot be excluded or limited under applicable law.**
16. **Nature of Relationship.** Nothing contained in the Agreement will be deemed to constitute either party or any of its employees, the partner, agent, franchisee, or legal representative of the other party or to create any fiduciary relationship for any purpose whatsoever. Except as otherwise specifically provided in the Agreement, nothing in the Agreement will confer on either party or any of its employees any authority to act for, bind, or create or assume any obligation or responsibility on behalf of the other party. The parties agree that no Entrust personnel is or will be considered the personnel of Customer.
17. **Subcontractors.** Entrust may use one or more Affiliate(s) or subcontractors to perform its obligations under the Agreement, provided that such use will not affect Entrust's obligations under the Agreement.
18. **Third Party Products and Services.**
 - 18.1. **Third Party Vendor Products.** Certain third-party hardware, software and services may be resold, distributed, provided or otherwise made available by Entrust ("Third Party Vendor Products").  - 18.2. **Ancillary Software.** Versions of certain third-party open source software (including libraries and redistributable files) may be embedded in, delivered with or automatically downloaded as part of any Offering ("Ancillary Software"). If a separate license agreement pertaining to Ancillary Software is embedded or provided with the Offerings, then the Ancillary Software is subject to the applicable separate license agreement pertaining to the Ancillary Software. Upon request, Entrust will provide Customer with a complete list of Ancillary Software and corresponding licenses, which list shall be deemed Entrust Confidential Information.
 - 18.3. **No Standalone Use.** Any Third Party Vendor Product or Ancillary Software included with or embedded in the Offering may be used only with the applicable Offering, unless otherwise permitted in the applicable agreement accompanying such Third Party Vendor Product or Ancillary Software.
19. **Third Party Beneficiaries.** Customer is notified that there are third-party beneficiaries to the Agreement. To the extent that the Agreement contains provisions that relate to (i) use of certain components of an Offering in which such third parties have an interest, (ii) products and services provided by third party subcontractors, suppliers and licensors of Entrust, or (iii) Third Party Vendor Products provided by third party vendors; such provisions are made expressly for the benefit of such third-party beneficiaries and are enforceable by such third-party beneficiaries in addition to being enforceable by Entrust. Except as expressly stated in this Section (Third Party Beneficiaries) or elsewhere in the Agreement or otherwise agreed in writing by the parties, the Agreement is made solely for the benefit of the parties hereto and their respective successors and permitted assigns, and no other person or entity will have or acquire any right or benefit under the Agreement, including under the UK Contracts (Rights of Third Parties) Act 1999.
20. **High Risk Applications.** Customer may not use, or authorize others to use, any part of any Offering in any application in which the failure of the Offering could lead to death, personal injury or severe physical or property damage ("High-Risk Applications"), including the monitoring, operation or control of nuclear facilities, mass transit systems, aircraft navigation or aircraft communication systems, air traffic control, weapon systems and direct life

support machines. Entrust expressly disclaims any express or implied warranty of fitness for High Risk Applications.

22. **Notices.** In any case where any notice or other communication is required or permitted to be given, such notice or communication will be in writing and (a) personally delivered, in which case it is deemed given and received upon receipt or (b) sent by international air courier service with confirmation of delivery to the addresses stated below, in which case it is deemed given and received when delivery is confirmed.

Each party hereby agrees that the applicable courts identified in this Section (Choice of Law) shall have personal and exclusive jurisdiction over such disputes. In the event that any matter is brought in a provincial, state or federal court each party waives any right that such party may have to a jury trial. To the maximum extent permitted by applicable law, the parties agree that the provisions of the United Nations Convention on Contracts for the International Sale of Goods, as amended, shall not apply to the Agreement. This Section (Choice of Law) governs all claims arising out of or related to this Agreement, including tort claims.
24. **Force Majeure.** In no event shall Entrust be deemed in default or liable for any loss or damage resulting from the failure or delay in the performance of its obligations under the Agreement, arising out of or caused by, directly or indirectly, a Force Majeure Event. 25. **No Waiver.** No failure to exercise, no delay in exercising, and no statement or representation other than by any authorized representative in an explicit written waiver, of any right, remedy, or power will operate as a waiver thereof, nor will single or partial exercise of any right, remedy, or power under the Agreement preclude any other or further exercise thereof or the exercise of any other right, remedy, or power provided in the Agreement, in law, or in equity. The waiver of the time for performance of any act or condition under the Agreement does not constitute a waiver of the act or condition itself.
26. **Successors; Assignment.** Each party agrees that it will not (and neither party has any right to) assign, sell, transfer, or otherwise dispose of, whether voluntarily, involuntarily, by operation of law, or otherwise, the Agreement or any right or obligation under the Agreement without the prior written consent of the other party. Any purported assignment, sale, transfer, delegation or other disposition in violation of this Section (Successors; Assignment) will be null and void. Notwithstanding the foregoing, Entrust may, without the consent of Customer, assign the Agreement together with all of its rights and obligations under the Agreement (i) to an Affiliate, or (ii) as part of a sale, merger, or other transfer of all or substantially all the assets of the business to which the

Agreement relates. Subject to the foregoing limits on assignment and delegation, the Agreement will be binding upon and will inure to the benefit of the Parties and their respective successors and permitted assigns.

27. **Compliance with Applicable Laws**. Customer will comply in all respects with any and all applicable laws, rules and regulations and obtain all permits, licenses and authorizations or certificates that may be required in connection with Customer's exercise of its rights and obligations under any part of the Agreement, including use or access by Users. Without limiting the foregoing, Customer will comply with all applicable trade control laws, including but not limited to any sanctions or trade controls of the European Union ("E.U."), Canada, the United Kingdom ("U.K."), and United Nations ("U.N."); the Export Administration Regulations administered by the U.S. Department of Commerce's Bureau of Industry and Security; U.S. sanctions regulations administered by the U.S. Treasury Department's Office of Foreign Assets Control ("OFAC"); or on the U.S. Department of Commerce Entities List ("Entities List"); and any import or export licenses required pursuant to any of the foregoing; and all applicable anti-money laundering laws, including the U.S. Bank Secrecy Act, Money Laundering Control Act, and Patriot Act, the Canadian Proceeds of Crime (Money Laundering) and Terrorist Financing Act, the U.K. Proceeds of Crime Act, and legislation implementing the International Convention on the Suppression of the Financing of Terrorism or the money laundering provisions of the U.N. transnational Organized Crime Convention. Customer represents and warrants that: (a) neither Customer nor any User is located in, under the control of, or a national or resident of any country to which the export of any software or technology licensed under the Agreement, or related information, would be prohibited by the applicable laws, rules or regulations of the U.S., Canada, U.K., E.U., or other applicable jurisdiction; (b) neither Customer nor any User is a Person to whom the export of any software or technology licensed under the Agreement, or related information, would be prohibited by the laws of the U.S., Canada, U.K., E.U., or other applicable jurisdiction; (c) Customer and each User has and will comply with applicable laws, rules and regulations of the U.S., Canada, U.K., E.U., or other applicable jurisdiction(s) and of any state, province, or locality or applicable jurisdiction governing exports of any product or service provided by or through Entrust; (d) Customer and all Users will not use any Offering for any purposes prohibited by applicable laws, rules or regulations on trade controls, including related to nuclear, chemical, or biological weapons proliferation, arms trading, or in furtherance of terrorist financing; (e) neither Customer nor any User nor any of its affiliates, officers, directors, or employees is (i) an individual listed on, or directly or indirectly owned or controlled by, a Person (whether legal or natural) listed on, or acting on behalf of a Person listed on, any U.S, Canadian, E.U., U.K., or U.N. sanctions list, including OFAC's list of Specially Designated Nationals or the Entities List; or (ii) located in, incorporated under the laws of, or owned (meaning 50% or greater ownership interest) or otherwise, directly or indirectly, controlled by, or acting on behalf of, a person located in, residing in, or organized under the laws of any of the countries listed at <https://www.entrust.com/legal-compliance/denied-parties> (each of (i) and (ii), a "Denied Party"); and (f) Customer and each of its Users is legally distinct from, and not an agent of any Denied Party. In the event any of the above representations and warranties is incorrect or the Customer or any User engages in any conduct that is contrary to sanctions or trade controls or other applicable laws, regulations, or rules, any Agreements, purchase orders, performance of services, or other contractual obligations of Entrust are immediately terminated.
28. **No Other Rights Granted**. The rights granted under the Agreement are only as expressly set forth in the Agreement. No other right or interest is or will be deemed to be granted, whether by implication, estoppel, inference or otherwise, by or as a result of the Agreement or any conduct of either party under the Agreement. Entrust and its licensors expressly retain all ownership rights, title, and interest in the products and services provided by Entrust (including any modifications, enhancements and derivative works thereof). Any permitted copy of all or part of any item provided to Customer must include all copyright notices, restricted rights legends, proprietary markings and the like exactly as they appear on the copy delivered by Entrust to Customer.
29. **Order of Precedence**. A provision in an Order executed by both parties will prevail over any conflicting provision elsewhere in the Agreement, and, subject to the foregoing, a provision in a Schedule will prevail with respect to the applicable Offering over any conflicting provision in the Agreement.

30. **Entire Agreement.** The Agreement (as defined in Section 1 (Contract Structure and Parties)) and items expressly incorporated into any part of the Agreement form the entire agreement of the parties. All terms and conditions on any purchase orders, supplier registration forms, supplier code of conduct, or similar document issued by Customer shall not amend the terms of the Agreement and will be of no force or effect notwithstanding any term or statement to the contrary made in such document. Neither party has entered into the Agreement in reliance upon any representation, warranty, condition or undertaking of the other party that is not set out or referred to in the Agreement.
31. **Amendment.** The Agreement may not be modified except by formal agreement in writing executed by both parties.
32. **Severability.** To the extent permitted by applicable law, the parties hereby waive any provision of law that would render any provision of the Agreement invalid or otherwise unenforceable in any respect. In the event that a provision of the Agreement is held to be invalid or otherwise unenforceable in application to particular facts or circumstances: (a) such provision will be interpreted and amended to the extent necessary to fulfill its intended purpose to the maximum extent permitted by applicable law and its validity and enforceability as applied to any other facts or circumstances will not be affected or impaired; and (b) the remaining provisions of the Agreement will continue in full force and effect. For greater certainty, it is expressly understood and intended that each provision that deals with limitations and exclusions of liability, disclaimers of representations, warranties and conditions, or indemnification is severable from any other provisions.
33. **Language.** The definitive version of this Agreement is written in English. If this Agreement is translated into another language and there is a conflict between the English version and the translated version, the English language version controls. If Customer is located in Quebec, the parties hereby confirm that they have requested that this Agreement and all related documents be drafted in English; les parties ont exigé que le présent contrat et tous les documents connexes soient rédigés en anglais. Some versions of the Offerings which have been designated as localized or country-specific may nonetheless contain certain components and/or interfaces that are in the English language only.
34. **Interpretation.** The parties agree that the Agreement will be fairly interpreted in accordance with its terms without any strict construction in favor of or against either party, and that ambiguities will not be interpreted against the party that drafted the relevant language. In the Agreement, the words “including”, “include” and “includes” will each be deemed to be followed by the phrase “without limitation”. The section or other headings in the Agreement are inserted only for convenience and ease of reference and are not to be considered in the construction or interpretation of any provision of the Agreement. Any exhibit, document or schedule referred to in the Agreement means such exhibit or schedule as amended, supplemented and modified from time to time to the extent permitted by the applicable provisions thereof and by the Agreement. References to any statute or regulation mean such statute or regulation as amended at the time and includes any successor statute or regulation. Unless otherwise stated, references to recitals, sections, subsections, paragraphs, schedules and exhibits will be references to recitals, sections, subsections, paragraphs, schedules and exhibits of the Agreement. All dollar amounts in the Agreement are in U.S. currency unless otherwise indicated.

Software Schedule

Entrust End User License

If Entrust provides any Software to Customer, alone or in connection with any other type of Offering (e.g. a Hosted Service), and no separate license was provided with such Software, the Agreement for the Software is made up of this end user license (“Software Schedule”), the General Terms, and an Order for the Software (or for the Offering in connection with which the Software is provided). Capitalized terms not defined herein have the meanings given to them in the General Terms.

1. **Scope.**

- 1.1. The Software is protected by copyright and other intellectual property laws and treaties. Copies of the Software provided to Customer (or Users) pursuant to the Agreement are licensed, not sold, and neither Customer nor any User receives any title to or ownership of any copy of the Software itself.
- 1.2. This Software Schedule does not grant any entitlement to receive any upgrades to the Software. If Customer is entitled to receive upgrades to any Software, for example as a result of purchasing maintenance and support under a separate Support Schedule or subscribing to an Offering that includes Support with upgrades for the connected Software, then such Software includes such upgrades, subject to any additional terms that may be imposed on enhanced features made available as part of the upgrade.
- 1.3. Connectors. There may be plugins or APIs that enable the Software to interoperate with third party products or services (each, a “Connector”). Customer acknowledges and agrees that such Connectors are not part of the Software, and that Entrust grants no rights, warranties or support for any Connectors or for the interoperability of the Software with such Connectors under this Software Schedule.

2. **Grant of Rights.**

- 2.1. General License Grant. Customer receives no rights to the Software other than those specifically granted in this Section 2 (Grant of Rights). Subject to Customer’s (and Users’) compliance with the Agreement, Entrust grants Customer, during the Offering Term, a personal, worldwide, non-exclusive, non-transferable, non-sub-licensable right to install and use the Software, and to grant its Users the ability to access and use the Software, in each case (a) in accordance with this Software Schedule; (b) in accordance with the Documentation; (b) in accordance with any specifications or limitations set out in the Order or imposed by technological means (such as a license code provided by Entrust) of the capabilities of the Software that Customer is permitted to use, such as limits associated with subscription levels, on copies of Software, on numbers or types of certificates, identities, users, signatures, protocols or devices, and on types of deployment (e.g. high availability, test or disaster recovery); and (c) subject to the general restrictions set out in Section 8 of the General Terms (General Restrictions).
- 2.2. Evaluation. At Entrust’s discretion, it may provide Customer with access to and the right to use the Software for evaluation purposes, in which case, notwithstanding anything to the contrary in the Agreement, either this Section 2.2 (Evaluation) or a separate evaluation agreement executed by both parties will apply. Subject to Customer’s compliance with all restrictions, conditions and obligations in the General Terms and this Software Schedule, for thirty (30) days Customer may solely as necessary for Customer’s evaluation of the Software install and use the Software exclusively in a test (non-production) environment (and which environment contains, for clarity, only fictitious non-production data) in such quantities, and subject to any restrictions on uses, as specified by Entrust. Entrust may extend the evaluation period in writing at its discretion. Evaluation purposes exclude any purpose from which Customer (or any of its Users) generates revenue. Sections 2.1 (General License Grant), 6 (Warranty), 7.1 (Term), and 11 (Publicity) of this Software Schedule do not apply to any evaluation of the Software. Entrust may in its sole discretion suspend or terminate any and all evaluation access and other evaluation rights to the Software at any time, for any or no reason, without advance notice.

3. **Delivery.** Entrust shall make the Software available for electronic download within thirty (30) days of acceptance of an Order, subject to the receipt of all required documentation, including any required export and import permits. Thereafter, Customer shall be responsible for and bear all expenses (including taxes) related to making the permitted number of copies and distributing such copies if and as permitted in the Agreement. Customer will be the importer of record for the Software.
4. **Installation and Management.** Customer agrees that it will be responsible for installing and managing the Software in accordance with the Documentation. Entrust will have no responsibility or liability for any impact to or failure of the Software or any Offering with which the Software was provided resulting from Customer's (or Users') improper installation and/or management of the Software.
5. **Audit Rights.** Customer shall keep reasonable records relating to Customer's use of the Software sufficient to show compliance with the Agreement ("Usage Records"). A chartered or certified public accountant selected by Entrust may, upon reasonable notice and during normal business hours, but no more often than once a year, inspect such Usage Records. If the audit reveals that Customer's use has not been in compliance with the Agreement and as a result has not paid the full or correct price for its actual use, Entrust may invoice the unpaid price based on the price list current at the time of the audit. Customer shall pay the reasonable expenses incurred by Entrust to undertake the audit if the audit reveals either underpayment of more than 5% of the fees that should have been paid to Entrust for the audited period, or that Customer has materially failed to maintain Usage Records or provide them for inspection.
6. **Warranty.**
 - 6.1. Software Warranty. Entrust warrants that (i) for a period of ninety (90) days from the date of delivery each item of Software will perform in substantial accordance with the Documentation, as applicable to the scope of license purchased by Customer as set out in the Order; and (ii) at the time of delivery, Entrust shall have used commercially reasonable efforts to cause the Software to be free of any known computer virus or harmful, malicious, or hidden software, data, or other computer instructions whose purpose is to disrupt, damage, or interfere with the licensed use of computer and telecommunications software or hardware for their normal purposes ("Malware").
 - 6.2. Warranty Exclusions. The warranty in Section 6.1 (Software Warranty) shall not cover or apply with respect to any damages, malfunctions or non-conformities caused by (i) failure to use the Software in accordance with the Agreement and the Documentation; (ii) accident, misuse, abuse, improper operation, misapplication, or any other cause external to the Software; or (iii) any modifications or additions made to the Software by Customer.
 - 6.3. Remedy for Breach of Warranty. Entrust's exclusive liability and the Customer's sole and exclusive remedy for breach of the provisions of this Section (Warranty) shall be, at Entrust's option, to correct, repair or replace, free of charge, the Software which does not meet Entrust's warranty.
 - 6.4. Except as expressly stated in this Section 6 (Warranty), the disclaimers in Section 13 (Disclaimer of Warranties) of the General Terms apply to the Software.
7. **Term and Termination.**
 - 7.1. Term. The Software may be licensed on a perpetual or subscription basis, as specified in the Order. Unless otherwise specified on the Order, the Offering Term will commence on the date that the Order is accepted by Entrust and will continue in effect either (i) for perpetually-licensed Software, for so long as Customer continues to use the Software, or (ii) for subscription Software, for a period of one (1) year or such other period as stated in the Order, in each case, unless terminated earlier in accordance with the Agreement.
 - 7.2. Termination. In addition to the termination rights in the General Terms:

7.2.1. Entrust may terminate a license to Software granted under this Software Schedule and refuse any additional Orders for Software if Customer commits a material breach of this Software Schedule and fails to remedy such material breach within thirty (30) days after delivery of notice of the occurrence or existence of such breach or such longer period as may be agreed to in writing by Entrust.

7.2.2. Customer may terminate a perpetual license to Software granted under this Software Schedule by destroying all copies of the Software under its control and notifying Entrust of such destruction.

8. **Price.** Customer will pay the costs and fees for the Software as set out in the applicable Order, which are payable in accordance with the Order and the General Terms.
9. **U.S. Government End-Users.** Any software and documentation provided under the Agreement are commercial items, as that term is defined in 48 CFR 2.101, consisting of commercial computer software and commercial computer software documentation, as those terms are used in 48 CFR 12.212. If software or documentation is acquired by or on behalf of the U.S. government or by a U.S. government contractor (including without limitation prime contractors and subcontractors at any tier), then in accordance with 48 CFR 227.7202-4 (for Department of Defense licenses only) and 48 CFR 12.212 (for licenses with all federal government agencies), the government's rights to such software and documentation are limited to the commercial rights specifically granted in the Agreement, as restricted by the Agreement. The rights limited by the preceding sentence include any rights to reproduce, modify, perform, display, disclose, release, or otherwise use the software or documentation. This Section (U.S. Government End-Users) does not grant Customer any rights not specifically set forth in the Agreement. Customer shall not remove or deface any restricted rights notice or other legal notice appearing in any software or documentation or on any associated packaging or other media. Customer shall require that its U.S. government users of any software or documentation agree to and acknowledge the provisions of this Section (U.S. Government End-Users) in writing.
10. **Export.** The Software and related technology and information may be subject to export or import restrictions as set out in the Documentation. Customer shall ensure compliance with such restrictions in accordance with the General Terms.
