The following terms and conditions shall govern Product Evaluation Agreements entered into by **nCipher Security, LLC** ("nCipher") and the Evaluator and shall be deemed incorporated therein.

Individually a Party and together the Parties.

### 1. FEE

There is no fee or charge for the Evaluator's consideration or evaluation of the Product. However, if Evaluator does not return the Product to nCipher at the conclusion of the Evaluation Term (defined below) or if the Product(s) is returned in a damaged condition, (normal wear and tear excepted), then in that event Evaluator will pay nCipher the price set out in the Schedule for the Product(s).

### 2. EVALUATION LICENSE

Evaluator is hereby granted a non-exclusive, non-transferable, sub licensable license to operate the Product for the sole and limited purpose of demonstrating, evaluating and assessing the performance of the Product ("Evaluation License"). Evaluator's license rights (and that of any sub-licensee) are limited to those expressly granted by this Agreement and by the license terms and conditions embedded on or supplied with the medium on which the Product software or firmware is supplied. nCipher and its licensors reserve all other rights. nCipher, or its licensors, own all intellectual property rights, including patent, copyright, trade secret, trademark and other proprietary rights, in and to the Product. Evaluator may not:

- (i) modify, adapt, decompile, disassemble, or reverse engineer the Product unless specifically authorised by applicable law;
- (ii) create derivative works based on the Product;
- (iii) make unauthorised copies of the Product;
- (iv) allow any further disclosure, distribution or relocation, resale, lease, loan, rental, license, or assignment of any type or nature or unauthorised third party use or access to the software;
- (v) use the Product for the benefit of, or to support or provide services to any third party;
- (vi) disclose to any unauthorised third party the results of any Product performance benchmarks or any specific detailed comparisons between the Product and any Evaluator or third party product;
- (vii) to the fullest extent permitted by law, use any functionality of the Product or any output generated by such functionality to augment or replace functionality in a third party product or as an add-in to any third party product without nCipher's prior written consent; or
- (viii) use the Product for any purpose other than that defined above.

### 3. EVALUATION TERM

This Agreement shall commence on the date of shipment of the Product by nCipher and shall end following the expiration of the Evaluation Term specified in the Schedule to this Agreement or upon return of the Product or upon termination of this Agreement as provided herein, whichever is earlier. Any extensions to the Evaluation Term must have the prior written consent of an authorised representative of nCipher.

#### 4. RESTRICTIONS ON USE

The Product delivered pursuant to this Agreement is provided to Evaluator solely for the Purpose at the premises identified in the Schedule to this Agreement and shall not be distributed to third parties without the prior written consent of an authorised representative of nCipher. Evaluator shall not change, remove or obscure any labels, plates, insignia, lettering or other markings on the Products. No right, title or interest in or to the Products shall pass from nCipher to Evaluator unless and until Evaluator elects to purchase the Products as provided herein and has paid all monies owed by Evaluator for the Products. Until such event, Evaluator shall hold the Products on a fiduciary basis as nCipher's bailee unless or until the Products are returned to nCipher.

#### 5. EVALUATOR RESPONSIBILITIES

- (a) The Evaluator shall install and operate the Product in accordance with the applicable nCipher specifications and instructions and shall preserve the Product in the same condition as it is received, fair wear and tear excepted.

The Evaluator shall not disclose any such confidential information to any person other than its own duly authorised personnel without the prior written approval of an authorised representative of nCipher and shall take all reasonable steps to ensure that such information remains confidential. Evaluator shall use such confidential information only for the Purpose and Evaluator agrees that it shall not use, or exploit the confidential information for its own benefit or for the benefit of another. Evaluator agrees that it will promptly report any actual or suspected violation of the terms of this Agreement to nCipher and that it will take all necessary steps to prevent, control or remedy any and all such violations. These obligations of confidentiality shall continue until such time as the Evaluator has obtained the written consent of an authorised representative of nCipher that these obligations have expired.
- (c) The Evaluator agrees that it shall be responsible for all loss of or damage to the Product while it is in the Evaluator's custody, excluding only losses or damage caused by the acts or omissions of nCipher or its agents and contractors.
- (d) The Evaluator agrees that it shall be responsible for all local duties and taxes in connection with the Evaluation Equipment.
- (e) Within ten (10) days of expiration or termination of this Agreement, whichever is the earlier, Evaluator shall:
  - (i) return the Product and all associated items, (including, but not limited to software), to nCipher; and

## 8. **DISCLAIMER OF WARRANTY AND LIABILITY**

- (a) nCipher shall not be liable to any Party for claims, demands or damages whatsoever, including, without limitation, direct, indirect consequential or special damages, arising out of the license or use of the Product hereunder and the use or failure of the Product to operate for whatever reason, regardless of whether the claim or action is based in contract, tort or otherwise. No action, regardless of form, arising out of or in any way connected with the Product or services furnished by nCipher may be brought by the Evaluator more than one (1) year after the cause of action has accrued, or such shorter statutory period as may be applicable. NOTWITHSTANDING THE FOREGOING, NOTHING IN THESE TERMS AND CONDITIONS SHALL HOWEVER LIMIT OR EXCLUDE NCIPHER'S LIABILITY FOR DEATH OR PERSONAL INJURY RESULTING FROM THE NEGLIGENCE OF NCIPHER.
- (b) THE PRODUCT IS PROVIDED AS IS AND NCIPHER HEREBY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NONINFRINGEMENT, RELATING TO THE PRODUCT, ITS USE OR ANY INABILITY TO USE.

## 9. **OPTION TO PURCHASE**

Evaluator may elect to purchase the Product from nCipher. Evaluator agrees that its purchase of the Product shall be subject to nCipher's standard terms and conditions, a copy of which is available upon request. - (g) This Agreement may not be assigned by the Evaluator without the prior written consent of nCipher. Evaluator agrees that nCipher may assign this Agreement upon notice to Evaluator.
- (h) The Product will be deemed delivered when nCipher makes the Product available and ready for shipment from nCipher's shipping facility and Evaluator is responsible for all costs and bears all risks involved in taking the goods from nCipher's shipping facility to Evaluator (Ex Works as defined in Incoterms 2020, or FCA Incoterms 2020 where goods are shipped from the UK to a non-UK destination).
