

NCIPHER SECURITY
IS AN ENTRUST COMPANY

END USER LICENSE AGREEMENT

IMPORTANT: READ CAREFULLY PRIOR TO ANY INSTALLATION OR USE OF THE PRODUCT

THIS END USER LICENSE AGREEMENT ("EULA"), INCLUDING ANY ADDENDUM OR AMENDMENT TO IT WHICH MAY BE SUPPLIED TOGETHER WITH THE PRODUCT, FORMS PART OF THE AGREEMENT, WHICH TOGETHER CONSTITUTES THE ENTIRE AGREEMENT BETWEEN LICENSEE AND ENTRUST RELATING TO THE USE OF THE PRODUCT AND SUPERSEDES ALL PRIOR OR CONTEMPORANEOUS ORAL OR WRITTEN COMMUNICATIONS, PROPOSALS AND REPRESENTATIONS WITH RESPECT TO THE USE OF THE PRODUCT OR ANY OTHER SUBJECT MATTER COVERED BY THIS EULA. THE AGREEMENT SHALL BE DEEMED TO INCORPORATE AND APPLY IN FULL TO THIS EULA. CAPITALIZED TERMS NOT DEFINED HEREIN HAVE THE MEANINGS GIVEN TO THEM ELSEWHERE IN THE AGREEMENT.

BY ACCEPTING THIS EULA, YOU REPRESENT THAT YOU HAVE THE REQUISITE AND APPROPRIATE LEGAL AUTHORITY TO BIND THE LICENSEE. IF YOU DO NOT ACCEPT THIS EULA OR DO NOT HAVE AUTHORITY TO ACCEPT IT, YOU MAY NOT INSTALL OR OTHERWISE USE THE PRODUCT.

PLEASE READ THIS EULA CAREFULLY. THE TERMS OF THIS EULA WILL BE DEEMED TO HAVE BEEN AGREED TO IF:

- A. YOU CLICK ON THE RESPECTIVE "I ACCEPT" BOX OR ACCEPTANCE KEY;
- B. THE PRODUCT IS DOWNLOADED AND/OR USED BY YOU;
- C. A SECURITY SEAL ON THE MEDIA PACKAGE CONTAINING THE PRODUCT IS BROKEN.

1) DEFINITIONS

"Agreement" means the agreement which applies to the use by the Customer of the Products and Services as defined in the Entrust's Worldwide General Terms and Conditions.

"Authorized Partner" means any of Entrust's authorized distributors, resellers or business partners.

"Documentation" means all user manuals, operating manuals, technical manuals, handbooks, installation guides, design documents and any other instructions, specifications, documents or materials, in any form or media, that describe the functionality, structure, installation, testing, operation, use, maintenance, support, technical or other components, features or requirements of the Products.

"Free Software Component" means free or open source components, including Open Source Software.

"Hardware" means, individually or collectively, the Entrust's branded hardware equipment products purchased from Entrust (or its Authorized Partners) and that operate in conjunction with the Software, but excludes any Software or other intangible products. The Hardware may be modified by Entrust from time to time in its sole discretion (as new products become available or products are removed as obsolete).

"Intellectual Property Rights" means any and all intellectual property rights in any part of the world, arising under statutory or common law or by agreement and whether or not perfected, registered or unregistered, now existing or hereafter filed, issued, or acquired, and any renewals, extensions and other government issued indicia of ownership thereof, including, but not limited to, rights comprising or relating to: (a) patents, patent disclosures and inventions (whether patentable or not); (b) rights associated with works of authorship including copyrights and copyrightable works (including, but not limited to, computer programs), copyright registrations and application for copyright registration, "moral" rights and mask work rights (all "copyrights"); (c) rights relating to the protection of trade secrets, know-how and other Confidential Information; (d) trademarks, trade dress, trade names, logos and service marks, together with the goodwill or business symbolized by or associated therewith ("Trademarks"); (e) domain names, web addresses and social media identifiers; (f) any registrations or applications for registration for any of the foregoing, including any provisionals, divisions, continuations, continuations-in-part, renewals, reissuances, re-examinations and extensions (as applicable); and (g) analogous rights to those set forth above.

“**Licensee**” means the end user entity which has issued an Order directly to Entrust or indirectly through an Entrust Authorized Partner to license the Software from Entrust.

“**License Fees**” means the license fees, including all taxes thereon, paid or required to be paid by Licensee for the license granted under this EULA.

“**Order Acknowledgement**” means the written (electronic or otherwise) confirmation notice that Entrust issues to confirm the purchase or license of Products and/or Services.

“**Open Source Software**” means any software generally distributed publicly in source code form under any license that is listed at <http://www.opensource.org/licenses> or that complies with the Open Source Definition available at <http://opensource.org/osd>. Open Source Material includes software that is licensed under the GNU General Public License, GNU Lesser General Public License, Mozilla Public License, Apache License, or BSD License.

“**Product(s)**” means the Hardware and/or Software.

“**Professional Services**” means collectively the training, consulting, installation, migration and/or deployment services purchased by Licensee either from Entrust or an Authorized Partner set forth in an Order Acknowledgement.

“**Software**” means the Entrust software in object code ordered by Licensee and set forth in an Order Acknowledgment and, if applicable, the software or firmware installed on the Hardware in executable code all as updated from time to time by Entrust. For the avoidance of doubt, Software shall deem to include and be limited to the version that includes all updates, upgrades new versions, new releases, new or updated features, functionality or enhancements or error correction to the Software, that Licensee is authorized to receive pursuant to the applicable Support Services subscribed to by the Licensee.

“**Support Services**” means the provision of technical support services for the Products purchased by Licensee either from Entrust or an Authorized Partner subject to the support Level and support options purchased by Licensee set forth in the applicable Order Acknowledgement. The Support Services program can be found at <https://www.entrust.com/contact/support>.

“**Update**” means any updates, upgrades, bug fixes, patches, and other error corrections to the Software that Entrust provides to Licensee when subscribed to continuing Support Services.

“**Worldwide General Terms and Conditions**” means the terms and conditions published at: <https://www.entrust.com/-/media/documentation/licensingandagreements/ncipher-security-worldwide-general-terms-and-conditions.pdf>

2) LICENSE GRANT

- a. Entrust hereby grants to Licensee a worldwide, non-exclusive, non-sublicensable and non-transferable limited license during the Term (as defined in Section 9) to use the Product and Documentation solely as set forth in this Section 2 and subject to all conditions and limitations set forth in Section 3 or elsewhere in this EULA.
- b. This license grants Licensee the right, exercisable solely by Licensee, to:
 - (i) Use and run unmodified the Software as properly installed in accordance with the Documentation, solely for Licensee’s internal operations. With respect to Software embedded in the Hardware, such use is permitted only on the Hardware on which the Software is installed.
 - (ii) Download, copy, and install in machine-readable, object code form only, in accordance with the Documentation, one copy of the Software on the number of servers and user licenses identified in the Order Acknowledgment. Licensee may make one copy of the Software solely for archival purposes.
- c. This license only applies to the version of the Product shipped at the time of purchase. Any potential Upgrades to the Product shall be licensed pursuant to the applicable Support Services subscribed to by Licensee.
- d. All copies of the Software and the Documentation made by Licensee: (i) will be the exclusive property of Entrust; (ii) will be subject to the terms and conditions of this EULA; and (iii) must include all Intellectual Property Rights notices contained in the original delivered to Licensee.

3) USE RESTRICTIONS

- a. Except as expressly authorized herein, Licensee shall not, and shall not permit, directly or indirectly:

- (i) use (including make any copies of) the Software or Documentation beyond the scope of the license granted under Section 3;
 - (ii) without providing notice to Entrust, provide any other person (legal or natural), including any subcontractor, independent contractor, affiliate, or service provider of Licensee, with access to or use of the Software or Documentation;
 - (iii) modify, translate, adapt, or otherwise create derivative works of the Software or Documentation or any part thereof;
 - (iv) combine the Software or any part thereof with, or incorporate the Software or any part thereof in, any other programs;
 - (v) reverse engineer, disassemble, decompile, decode or in any other manner attempt to derive or gain access to the source code of any component of the Software or any part thereof for any purpose or any portion thereof and on all portions contained in or merged into other programs and/or the Documentation. Licensee shall notify Entrust if Licensee becomes aware of any person or entity attempting to reverse engineer, reverse compile, or disassemble any of the Product;
 - (vi) remove, delete, alter, or obscure any trademarks or any copyright, trademark, patent, or other intellectual property or proprietary rights notices provided on or with the Software or Documentation, including any copy thereof;
 - (vii) rent, lease, lend, sell, sublicense, assign, distribute, publish, transfer, or otherwise make available the Software, or any features or functionality of the Software, to any Third Party for any reason, whether or not over a network or on a hosted basis, including in connection with the internet or any web hosting, wide area network (WAN), virtual private network (VPN), virtualization, time-sharing, service bureau, software as a service, cloud, or other technology or service without Entrust's written approval;
 - (viii) use the Product on operating systems or technology platforms other than those designated by Entrust in the Documentation;
 - (ix) use the Software or Documentation in violation of any law, regulation, or rule; or
 - (x) use the Software or Documentation for purposes of competitive analysis of the Software, the development of a competing software product or service, or any other purpose that is to Entrust's commercial disadvantage.
- b. Entrust shall have, in addition to any other remedies available to it, the right to seek equitable remedies including injunctive relief in respect of Licensee's breach of its obligations under this EULA.
- c. If Licensee has purchased an Issuance HSM, Licensee is strictly prohibited from using the Issuance HSM as a general purpose HSM and may only use the Issuance HSM for the limited purposes of supporting Entrust's *Issuance* products. An "Issuance HSM" means a hardware security module ("HSM") that has been purchased and/or licensed specifically for supporting Entrust's credit card *Issuance* products.

4) CERTIFICATION AND AUDIT

Upon Entrust's written request, Licensee shall conduct a review of use of the Software and certify to Entrust in a written instrument signed by an authorized representative of Licensee that it is in full compliance with this Agreement and, in particular, that it is not using more licenses that have been purchased. In the event of non-compliance, Licensee shall immediately remedy such noncompliance and provide Entrust with written notice thereof. Licensee shall provide Entrust with all access and assistance as Entrust reasonably requests to further evaluate and remedy such noncompliance.

5) LICENSE FEES

All License Fees and payment terms for any direct purchases shall be as set forth in the applicable Order Acknowledgment. All License Fees and payment terms for any purchases through an Authorized Partner shall be as agreed between the Licensee and the Authorized Partner.

6) SUPPORT

The license granted hereunder does not entitle Licensee to any Software maintenance or Support Services unless Licensee purchases such maintenance and Support Services from Entrust or an Authorized Partner. Support and Maintenance Services shall be provided in accordance with the Global Support Terms and Conditions located at <https://www.entrust.com/-/media/documentation/licensingandagreements/ncipher-security-global-support-terms-and-conditions.pdf>.

7) INTELLECTUAL PROPERTY AND PROPRIETARY RIGHTS

- a. Licensee shall use commercially reasonable efforts to safeguard all Software (including all copies thereof) from infringement, misappropriation, theft, misuse, or unauthorized access. Licensee shall promptly notify Entrust if Licensee becomes aware of any infringement of the Entrust's Intellectual Property Rights in the Software and fully cooperate with Entrust, at Entrust's sole expense, in any legal action taken by Entrust to enforce its Intellectual

Property Rights.

- b. This EULA shall not be considered to be a sale of any Intellectual Property Rights or other proprietary interests embodied in the Products or Product component thereof (or any copy, derivative work, upgrade, Update, improvement or modification thereof), and nothing herein shall be deemed to establish or imply that the license granted is a conveyance of any underlying Intellectual Property Rights to the Products.
- c. All right, title, and interest in and to the Product and Documentation and all Intellectual Property Rights arising out of or relating to the Product and Documentation, in whole and in part and all copies thereof, are, and shall remain, the sole and exclusive property of Entrust, Entrust Affiliates, and/or its licensors, except as expressly granted to the Licensee in this EULA. Entrust hereby reserves all rights not expressly granted to Licensee.
- d. The source code of the Software is a confidential trade secret of Entrust.
- e. Entrust hereby reserves all rights not expressly granted to Licensee. Each Free Software Component is the copyright of its respective copyright owner. Only those terms and conditions specified for, or applicable to, each specific Free Software Component pursuant to its applicable governing license shall be applicable to such Free Software Component.

8) U.S. GOVERNMENT END-USERS

Any Software and Documentation provided by Entrust are commercial items, as that term is defined in 48 CFR 2.101, consisting of commercial computer software and commercial computer software documentation, as those terms are used in 48 CFR 12.212. If Software or Documentation is acquired by or on behalf of the U.S. government or by a U.S. government contractor (including without limitation prime contractors and subcontractors at any tier), then in accordance with 48 CFR 227.7202-4 (for Department of Defense licenses only) and 48 CFR 12.212 (for licenses with all federal government agencies), the government's rights to such software and documentation are limited to the commercial rights specifically granted in the EULA, as restricted by the EULA. The rights limited by the preceding sentence include any rights to reproduce, modify, perform, display, disclose, release, or otherwise use the software or documentation. This Section (U.S. Government End-Users) does not grant Licensee any rights not specifically set forth in the EULA. Licensee shall not remove or deface any restricted rights notice or other legal notice appearing in any software or documentation or on any associated packaging or other media. Licensee shall require that its U.S. government users of any software or documentation agree to and acknowledge the provisions of this Section (U.S. Government End-Users) in writing.

9) TERM AND TERMINATION

- a. This EULA and the license granted hereunder shall remain in effect for the term set forth on the Order Acknowledgment or until terminated as set forth herein (the "Term").
- b. Either party may terminate this EULA if: (i) the other party is notified in writing that it is in material breach of the terms or conditions of this EULA; and (ii) such other party fails to remedy such breach within thirty (30) days following such notice.
- c. Either party may terminate this EULA if: (i) the other party files or has filed against it a petition for voluntary or involuntary bankruptcy or pursuant to any other insolvency law, or is adjudicated bankrupt; and (ii) makes or seeks to make a general assignment for the benefit of its creditors or applies for, or consents to, the appointment of a trustee, receiver, or custodian for a substantial part of its property.
- d. In the event of termination of this EULA for a material breach by Licensee and in addition to all other rights and obligations each party may have under this EULA: (i) the rights and licenses granted to the Products pursuant to this EULA shall automatically terminate; and (ii) Licensee shall, within thirty (30) days, ship to Entrust or destroy (including purging from any system or storage media) all items in its possession proprietary to Entrust, including but not limited to all Products, and upon request by Entrust, an authorized representative of Licensee shall certify in writing to Entrust that the Products and other confidential Information of Entrust have been returned to Entrust or destroyed.
- e. Upon expiration or termination of this EULA for any other reason, the License granted hereunder for any term license shall terminate and Licensee shall cease using and destroy all copies of the Software and Documentation. No expiration or termination shall affect Licensee's obligation to pay all Licensee Fees that may have become due before such expiration or termination. Each party shall: (i) return to the other party all documents and tangible materials (and any copies) containing, reflecting, incorporating or based on the other party's Confidential Information; (ii) permanently erase all of the other party's Confidential Information from its computer systems; and (iii) certify in writing to the other
