

INCLUDING THE FOLLOWING PRODUCTS **Instant Issuance Systems**

INSPECTION OF PRODUCT UPON RECEIPT

The following warranty applies to your Entrust Instant Issuance Systems (“System”).

You must examine all components of your System immediately upon receipt. If any component is missing, damaged or visibly defective, you must notify Entrust or the Entrust authorized service provider who sold you the System, within thirty (30) days from the date of delivery of the System. If you fail to give notice as required, you will be deemed to have accepted the System and waived any claim you may have against Entrust and/or the Entrust authorized service provider with respect to damage or defects discoverable at delivery.

PRODUCT WARRANTY

Entrust warrants that a new System will be free from defects in materials or workmanship for a period of thirty-six (36) months from the latter of (i) date of the date of shipment from Entrust, or (ii) with proof of purchase, the date of purchase by the End User Customer. The warranty for a factory refurbished System is ninety (90) days.

If the System proves to be defective in materials or workmanship during the warranty period, Entrust will at its option either repair or replace the System or refund its purchase price. Any new System that is repaired or replaced under the warranty will be warranted for the longer of the remainder of the original warranty period or ninety (90) days. A factory refurbished System that is repaired or replaced under the warranty will be warranted for the remainder of the original warranty period.

All System or System components replaced under warranty will become the property of Entrust.

PRINTHEAD WARRANTY

Entrust CE840 or CE870 Instant Issuance System with Embossing Module

Entrust warrants that the thermal printhead (“Printhead”) delivered with a CE840 or CE870 Instant Issuance System will be free from defects in materials or workmanship for a period of thirty-six (36) months from the later of (i) the date of shipment from Entrust, or (ii) with proof of purchase, from the date of purchase by the End User Customer.

If the CE840 or CE870 Printhead proves to be defective in materials or workmanship during the warranty period, Entrust will at its option either repair or replace the Printhead or refund its purchase price, pro-rated to reflect the period of its effective use. A Printhead that is repaired or replaced under the warranty will be warranted for the longer of the remainder of the original warranty period or ninety (90) days.

Entrust Artista[®] CE875 Instant Issuance System with Embossing Module

Entrust warrants that the thermal printhead (“Printhead”) delivered with an Artista[®] CE875 Instant Issuance System will be free from defects in materials or workmanship for a period of the shorter of sixty (60) months or the life of the Artista CE875 Instant Issuance System itself, both effective from the later of (i) the date of shipment from Entrust, or (ii) with proof of purchase, from the date of purchase of the Artista CE875 Instant Issuance System by the End User Customer.

If the CE875 Printhead proves to be defective in materials or workmanship during the warranty period, Entrust will at its option either repair or replace the Printhead or refund its purchase price, pro-rated to reflect the period of its effective use. A Printhead that is repaired or replaced under the warranty will be warranted for the shorter of sixty (60) months or the life of the Instant Issuance System.

All Printheads replaced under warranty will become the property of Entrust.

EXCEPTIONS

Instant Issuance System or Printhead replacements, repairs, adjustments or parts replacements that are the result of accident, force majeure, abuse, misuse, use in an unsuitable operating environment, unauthorized modification or maintenance, or the use of peripherals, supplies or software that are not provided by Entrust are not covered by the warranty and will be charged using Entrust's then-current rates. All parts replaced under warranty will become the property of Entrust.

WARRANTY RETURN PROCEDURE

In order to make a warranty claim, you must first contact either Entrust (see below) or the Entrust authorized service provider noted on the packing slip. You will be responsible for packaging the warranted item and for the cost of freight and insurance to ship it to the designated Entrust or authorized service provider location. Entrust or the authorized service provider will bear the cost of freight and insurance to return the item to you.
