Entrust OptiExpress™ Security Feature Set

Extra affordability for a custom hologram

Ideal for small- to mid-sized, low-volume programs within education, corporate, healthcare, and municipal governments, the Entrust OptiExpress™ security feature set is available in Entrust DuraGard® 1/2 mil holographic laminate. Having both Level 1 Overt and Level 2 Covert OVD features available in a low minimum order quantity means that your program can enjoy custom security normally reserved for programs with larger budgets and volumes.

The Entrust OptiExpress™ security feature set offers a unique, custom hologram at an entry-level price point and with 50-roll minimum ordering options. This provides important savings and flexibility for a variety of cost-sensitive programs. The OptiExpress security feature set delivers a no-compromise combination of quality, security, and economy.

HIGHLIGHTS

- A selection of custom Level 1 Overt 2D holographic elements, combined with animated Level 2 Covert Microtext
- Random and registered image layout available
- Flexible layouts for landscape, portrait, and smart card layouts
- The OptiExpress feature set is available in virtually edge-to-edge DuraGard® laminates
