

DATACARD® CERTIFIED SUPPLIES

FOR THE ENTRUST DATACARD™ CE875™ INSTANT ISSUANCE SYSTEM

ENSURE PEAK PERFORMANCE

The CE875™ Instant Issuance System features proprietary print ribbons and retransfer material specifically designed for the CE875™ Card Printer and featuring our RFID technology. When the printer recognizes that Datacard® Certified Supplies are installed, all enhanced product features are enabled and successful card printing can begin.

We engineer superior performance and reliability into every system-matched supply item we offer. For you, that means smooth printing, brilliant image quality, high security and exceptional performance. Worldwide representation creates a fast, direction connection with the supplies you need, when and where you need them. To ensure you are using Datacard Certified Supplies, look for ribbons with that feature our distinctive blue cores with the platinum flecks®

Entrust Datacard™ CE875™ card printer ribbon kits include all necessary cleaning supplies for the CE875 card printer's daily operations. Each kit includes one ribbon, one isopropanol cleaning card and one adhesive cleaning sleeve. Additional cleaning cards and cleaning sleeves can be ordered separately.
