

Certified Supplies for Entrust SD460 Direct-to-Card Printer

Ensure peak performance

The SD460 card printer features Entrust proprietary print ribbons, topcoats, overlays, and laminates, designed specifically for the SD460 card printer and featuring our patented radio frequency (RF) technology. When the card printer recognizes that Entrust Certified Supplies are installed, all enhanced product features are enabled and successful card printing and lamination can begin. The SD460 card printer requires Entrust Certified Supplies with RFID tags. Entrust is your exclusive source for proprietary ribbons, topcoats, overlays, and laminates for the SD460 card printer.

Entrust SD460 Direct-to-Card Printer ribbon kits include all necessary cleaning supplies for the SD460 card printer's daily operations. Each kit includes one ribbon, one isopropanol cleaning card, and one adhesive cleaning sleeve. Additional items can also be ordered separately.

Y = Yellow M = Magenta C = Cyan K = Black T = Inline Topcoat

¹ Recommended for two-sided printing only

² Variable information can be printed in UV using the F-panel

³ Registered, high-security image

⁴ Entrust custom security supplies include a variety of options.

⁵ Actual yields for monochrome ribbons may be greater due to ribbon saver features

Contact your Entrust Sales Representative for information on designing a custom security supply

* The stated supply yields in our documentation are typically the maximum number of cards or printed images that can be produced with that ribbon
