

# Entrust Instant Financial Issuance Fully Integrated with FIS® Payments One Debit and HORIZON Core

By selecting Entrust Instant Financial Issuance, you are working with an FIS Alliance Network partner.

## Overview

Entrust is enabling the leading financial brands to deliver best-in-class experiences. More than 1 billion payment cards are issued through Entrust's platform every year, and we are supporting more than 45,000 locations and 5,000 financial solutions customers.

Entrust is proud to be an FIS Alliance Network member that fully integrated with the FIS Payments One Debit platform and HORIZON Core Banking System through our Instant Financial Issuance. Entrust will continue to collaborate with FIS on their Modern Banking Platform.

Entrust instant financial card issuance solutions provide banks, credit unions, retailers, and other financial card issuers with powerful new ways to drive revenue and engage consumers. Imagine the power of a consumer walking into one of your locations and - within minutes - walking out with a personalized, permanent payment card with instant purchasing power.

## The Entrust Difference

### Instant Financial Issuance

**Hardware:** Our best-in-class hardware will transform preprinted or blank card stock to give your customers the freedom to pay anytime, anywhere, any way.

**Intelligent Supplies:** We offer a full range of standard and customized supplies designed to optimize productivity and minimize per-card costs.

### Instant Financial Issuance

**Software:** Our instant issuance software offers compatibility with most card management and card authorization systems, making implementation fast.

### Professional Services:

Our service experts can help you with everything from initial assessments and solution design to deployment and ongoing optimization.
