Entrust Sigma Card Printer Supplies Durability

Extend card life and protect images

Durability supplies increase the usable life of personalized cards and ID documents, minimizing the need for reissuance, and lowering overall costs. Entrust high-quality topcoats, overlays, and laminates protect images, prevent fading, and defend against abrasion, moisture, and chemical attack.

Topcoat	DuraShield™ Overlays	DuraGard® Laminates
<ul style="list-style-type: none">• Thin, translucent, edge-to-edge topcoats protect bar codes, signatures, logos, and images against abrasion, chemical attack, and plasticizers.• Available in full card format.	<ul style="list-style-type: none">• Edge-to-edge overlay that offers four times the protection of a standard topcoat.• Unique overlay that provides enhanced durability at an affordable price.• Available in full card and full card with smart card window formats.	<ul style="list-style-type: none">• Laminates provide the strongest defense against abrasions, chemicals, and moisture.• The near-edge-to-edge thick polyester patch is specifically formulated to prolong the life of national IDs, driver's licenses, and other cards that are expensive to re-issue.• Available in full card, full card with smart card window, and magnetic stripe formats as a ½ mil or 1.0 mil patch.• UV protective 1 mil laminates available, containing UV blockers to protect against fading.

Sigma card printer supplies durability

Adding durability pays off

Issuing durable cards that stand up to life's demands has always been a crucial component of any card program. But with increased issuance costs due to the rise of smart cards, issuing long-lasting cards is more important than ever. With Entrust solutions and our industry expertise on your side, you can produce, print, and personalize vibrant, durable cards that build consumer loyalty and ensure successful, secure transactions.
