IDENTITY MOBILE APPLICATION

END USER LICENSE AGREEMENT

This ENTRUST MOBILE APPLICATION END USER LICENSE AGREEMENT (collectively with any terms and conditions referenced therein - the "EULA") contains the terms and conditions that govern your access to, and/or download, installation, and/or use of, the Software. Terms not otherwise defined in this EULA shall have the meanings set forth in Section 1 (Definitions) below.

You agree to be bound by this EULA through: (i) your download, installation, access, or use of the Software; or (ii) your express agreement to this EULA, including, without limitation, when an "Accept" or similar button, and/or a check box presented with this EULA is clicked and/or checked by you.

You, as the individual downloading, installing, accessing, or using the Software, or clicking and/or checking the aforementioned buttons and/or boxes, represent and warrant that you are lawfully able to enter into contracts (e.g. you are not a minor). IF YOU DO NOT ACCEPT THE TERMS AND CONDITIONS OF THIS EULA, YOU SHALL NOT ACCESS, USE, DOWNLOAD, OR INSTALL THE SOFTWARE. CONTINUED RIGHT TO ACCESS AND USE THE SOFTWARE IS CONTINGENT ON YOUR CONTINUED COMPLIANCE WITH THE TERMS AND CONDITIONS OF THIS EULA.

This EULA is between You and (i) Entrust Corporation, if You are located in the United States; or (ii) Entrust Limited, if You are located in any other jurisdiction (as applicable, "Entrust").

1. Definitions.

1.1. "Customer" means the party that has licensed rights to access or use the Entrust Identity Products. Customer may be Licensee's employer, a co-operation partner, service provider (e.g. a bank), or other relevant third party.

1.2. "Device" means a tablet, mobile phone, or other electronic or computing device that runs Apple iOS or Google Android operating systems.

1.3. "Documentation" means written materials prepared by Entrust (or its licensors or service providers) relating to the Software, including, without limitation, guides, manuals, instructions, policies, reference materials, release notes, online help or tutorial files, support communications (including any disputes between the parties) or any other materials provided in connection with modifications, corrections, or enhancements to the Software, all as may be modified from time to time.

1.4. "Entrust Identity Products" means the Entrust Identity as a Service, Identity Enterprise, or Identity Essentials authentication products or services (or other similar or successor Entrust products or services).

1.5. "Licensee" means You as the individual that has agreed to be bound by and comply with the EULA, and pursuant thereto, has downloaded, installed, accessed, or used the Software.

1.6. "Software" means the Entrust Identity mobile application, in binary and/or bytecode form, downloaded with this EULA or in which this EULA is embedded, or that can be accessed after acceptance of this EULA, including any online, or electronic documentation or release notes.

1.7. "Third-Party Provider(s)" means the third party manufacturers or providers of the Devices and relevant operating systems, including, without limitation, Apple and Google.

2. Software.

2.1. Grant of License. Subject to the terms and conditions of this EULA, Entrust grants to Licensee a non-exclusive, royalty-free, revocable, non-transferable, non-sub-licensable license to use the Software on a Device for authentication, digital signing, and encryption purposes only, in conjunction with Entrust Identity Products. This EULA does not grant Licensee any rights with respect to Entrust Identity Products, which must be licensed or contracted separately. Copies of the Software provided to Licensee pursuant to the EULA are licensed, not sold, and Licensee receives no title to or ownership of any copy of the Software itself. Licensee receives no rights to the Software other than those specifically granted in this Section (Grant of License).

2.2. Ancillary Software. Binary, bytecode or source code versions of certain third-party software may be embedded in or delivered with the Software ("Ancillary Software"). If a separate end user license agreement pertaining to an item of Ancillary Software is: (i) delivered to Licensee with the Software; (ii) included in the download package for the Software (e.g. in the "About" section of the Software); (iii) referenced in any material that is included in the download package for the Software; or (iv) listed at or referred to in the file for the Software, then such separate end user license agreement shall govern Licensee's use of that item or version of the Ancillary Software and Licensee shall comply with such separate end user license agreement when using the Software (e.g. telecommunications mobile carrier terms of service, Third-Party Provider terms of service, open source licenses, etc.). Licensee right to use the Ancillary Software shall be limited to the use necessary to use the Software as permitted by this EULA. Notwithstanding the foregoing, in the case of Ancillary Software that is licensed pursuant to open source licenses that prohibit the imposition of any restrictions on use beyond those contained in such open source licenses, the restrictions on use contained in this EULA shall not be applicable to such Ancillary Software.

2.3. Restrictions. Licensee shall not, and shall not permit others to: (i) install or use a copy of the Software on a Device that Licensee does not own or control (such ownership or control may be shared with other licensees that are subject to the terms and conditions of this EULA separately); (ii) reverse engineer, disassemble, reverse translate, decompile or in any other manner decode the Software (except to the extent that the foregoing restriction is expressly prohibited by applicable law notwithstanding a contractual obligation to the contrary); (iii) host, time-share, rent, lease, sell, license, sublicense, grant a security interest in, assign, distribute or otherwise transfer or allow third parties to exploit any component of, the Software, except as provided in the EULA; (iv) attempt to circumvent or disable any restrictions, technical limitations, or entitlement mechanisms present or embedded in the Software; (v) provide passwords or other log-in information used with the Software to any unauthorized third party; (vi) authorize, allow or enable any third party to access or use the Software or otherwise make the Software available for use by third parties; (vii) use the Software to develop any product that is competitive to the Software; (viii) use the Software to send or store infringing or unlawful material or viruses, worms, time bombs, Trojan horses and other harmful or malicious codes, files, scripts, agents or programs; (ix) use the Software with a product other than the Entrust product or service for which it is intended to be used; (x) attempt to gain unauthorized access to, or disrupt the integrity or performance of, the Software or the data contained therein; (xi) disclose any performance, benchmarking, or feature-related information about the Software; (xii) remove, modify or alter any of the Software's copyright, trademark or proprietary rights notices from any part of the Software; (xiii) use the Software in contravention of any other agreement to which Licensee

is subject, such as any terms of service with Third-Party Providers; (xiv) make copies of the Software; (xv) make any modifications or changes to, or any derivative works of, the Software.

2.4. Additional Restrictions. Licensee shall not, and shall not permit others to, use the Software to: (i) damage, disable, overburden, impair, or otherwise negatively impact Entrust, the Software, and/or any networks, systems, platforms or servers that operate services related to or used by Entrust and/or Software; (ii) abuse, harass, stalk or otherwise violate the legal rights of a third party; (iii) gain or try to gain unauthorized access to any data, account or network by any means; (iv) use a mobile number other than Licensee's own to provision the Software on Licensee's Device or on any other device; or (v) commit fraud or otherwise violate any applicable laws. Licensee acknowledges and agrees that Entrust shall have, in its sole discretion, the right to block Licensee from using the Software to (a) provision the Software on Licensee's Device (or any third party device), and/or (b) receive any messages on such Device (or any third party device), including, without limitation, as a result of Licensee's breach of the restrictions set out above.

2.5. Content of messages. Licensee acknowledges and agrees that, other than the content of the default message templates included in the Software, Entrust: (i) has no direct control over any content, including, without limitation, passcodes (these are randomly generated), messages (including any modifications to default message templates not made by or on behalf of Entrust), text, script, data, or other information ("Content") delivered to the Licensee by text messages or by any other means through the Software; and (ii) takes no responsibility to Licensee or to any third party for such Content.

3. Personal Information and Privacy.

3.1. Licensee Data. Licensee agrees that Entrust (or its licensors) may collect and use (including through the storing and use of cookies and identifiers for mobile devices) technical data and related information, including but not limited to technical information about Licensee's Device(s), use of the Software, and peripherals. Entrust (and its licensors) may use this information, as long as it is in a form that does not personally identify Licensee, to improve its products or to provide services or technologies to Licensee.

3.2. Personal Data. In order to operate the Software, Entrust will, on behalf of Customer (who is the "Data Controller"), collect, use and may store certain Licensee personal data for the purposes of provisioning the Software on the Licensee's Device(s), using the Entrust Identity Products licensed by the Data Controller to send messages or other relevant data to the Licensee's Device(s) through the Software, or for troubleshooting or support. Further information about how Entrust may process Licensee personal data on behalf of Customer is contained in the Entrust Identity Mobile App Privacy Statement located at <https://www.entrust.com/sites/default/files/documentation/licensingandagreements/identity-mobile-app-product-privacy-notice.pdf>. Licensee acknowledges and agrees that Entrust is not a data controller of personal data provided for the purposes set out above and that any questions relating to the processing of such personal data should be directed to the relevant Data Controller.

3.3. To the extent Entrust collects, uses or discloses any Licensee personal data for its own benefit (i.e. not on behalf of a third party), such activities shall be conducted pursuant to Entrust's privacy policy (<https://www.entrust.com/legal-compliance/privacy/privacy-statement>). Entrust reserves the right, in its sole discretion, to modify or change the terms and conditions of its privacy policy at any time, and without prior notice to Licensee. Licensee's continued use of the Software following any changes to Entrust's privacy policy constitutes an acceptance of those changes.

3.4. If Licensee configures its device to receive push notifications, Licensee consents to receive such notifications.

4. Third-Party Providers.

4.1. Licensee agrees that this EULA is concluded between Licensee and Entrust only, and not with Third-Party Providers. Licensee further agrees that Entrust, not Third-Party Providers, is responsible for: (i) the Software; (ii) any claims by Licensee relating to the Software or Licensee's possession and/or use of the Software, including, but not limited to: (a) product liability claims; and (b) claims the Software fails to conform to any applicable laws, rules or regulations; and (iii) for any maintenance and support for the Software (whether required by applicable law or as specified in this EULA).

4.2. Licensee agrees that: (i) it shall comply with all applicable Third Party Provider terms and conditions when using the Software (e.g. usage guidelines, telecommunications mobile carrier terms of service, store terms and conditions, etc.); (ii) if the Third-Party Provider store terms and conditions (which Licensee acknowledges having had the opportunity to review) provide greater usage rights than the terms of this EULA, then to the extent of any such inconsistency the Third-Party Provider store terms and conditions will govern; (iii) it may only use the Software on the relevant Third-Party Provider-branded Devices; (iv) it will contact Entrust and not the Third-Party Providers, for any warranty or other types of claims relating to the Software; and (v) to the maximum extent permitted by applicable law, Third-Party Providers will not have any warranty obligations whatsoever with respect to the Software, nor and any other claims, losses, liabilities, damages, costs or expenses attributable to any failure of the Software to conform to any warranty will be Entrust's responsibility (subject to the disclaimers of warranty set out in this EULA).

4.3. Licensee agrees that, in the event of any third party claim that Licensee's possession and use of the Software infringes that third party's intellectual property rights, Entrust, not Third-Party Providers, will be solely responsible for the investigation, defense, settlement and discharge of any third party intellectual property infringement claim. Entrust's liability for the above claims shall be, to the extent permitted by applicable law, limited or excluded as set out in the terms and conditions of this EULA.

5. No Warranties.

5.1. THE SOFTWARE IS PROVIDED "AS IS", WITHOUT ANY REPRESENTATIONS, CONDITIONS, OR WARRANTIES OF ANY KIND. WITHOUT LIMITATION, ENTRUST AND ITS AFFILIATES, LICENSORS, SUBCONTRACTORS, DISTRIBUTORS, AND THIRD-PARTY PROVIDERS DISCLAIM ANY EXPRESS OR IMPLIED REPRESENTATIONS, CONDITIONS, OR WARRANTIES OF MERCHANTABILITY, NON-INFRINGEMENT, TITLE, SATISFACTORY QUALITY, OR FITNESS FOR A PARTICULAR PURPOSE. EXCEPT AS OTHERWISE EXPLICITLY PROVIDED IN THIS EULA, THE ENTIRE RISK OF THE USE OF THE SOFTWARE SHALL BE BORNE BY LICENSEE. Entrust does not provide a right to any remedy on the basis that, nor warrant that, the Software will: (i) achieve specific results; (ii) operate without interruption, viruses or other harmful components; (iii) be error free; (iv) be absolutely impenetrable for hackers willfully trying to gain access to the Licensee's computer system; or (v) fit for a particular purpose. The provisions of this section (No Warranties) shall survive the termination of this EULA, but this shall not imply or create any continued right to use the Software after termination hereof.

6. Limitation of Liability.

6.1. NEITHER ENTRUST NOR ANY OF ITS AFFILIATES, LICENSORS, SUBCONTRACTORS, DISTRIBUTORS, OR THIRD-PARTY PROVIDERS SHALL HAVE ANY LIABILITY TO LICENSEE OR ANY OTHER PERSON OR ENTITY FOR ANY DAMAGES ARISING FROM THIS EULA, RELATED TO THE

SOFTWARE, OR RELATED TO ANY SERVICES PROVIDED TO LICENSEE BY ENTRUST (INCLUDING ITS AFFILIATES, LICENSORS, SUBCONTRACTORS, DISTRIBUTORS, AND THIRD-PARTY PROVIDERS) IN RELATION TO THE SOFTWARE FOR ANY INDIRECT, RELIANCE, INCIDENTAL, SPECIAL, PUNITIVE, EXEMPLARY OR CONSEQUENTIAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOSS OF REVENUE OR PROFIT, LOSS OF OR DAMAGE TO DATA OR OTHER COMMERCIAL OR ECONOMIC LOSS, WHETHER ARISING FROM CONTRACT, EQUITY, TORT (INCLUDING NEGLIGENCE OR STRICT LIABILITY) OR ANY OTHER THEORY OF LIABILITY, EVEN IF ENTRUST (INCLUDING ITS AFFILIATES, LICENSORS, SUBCONTRACTORS, DISTRIBUTORS, AND THIRD-PARTY PROVIDERS) HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, OR THEY ARE FORESEEABLE. ENTRUST (INCLUDING ITS AFFILIATES, LICENSORS, SUBCONTRACTORS, DISTRIBUTORS, AND THIRD-PARTY PROVIDERS) SHALL NOT BE RESPONSIBLE FOR CLAIMS BY A THIRD PARTY.

THE LIMITATIONS IN THIS SECTION SHALL APPLY WHETHER OR NOT THE ALLEGED BREACH OR DEFAULT IS A BREACH OF A FUNDAMENTAL CONDITION OR TERM OR FUNDAMENTAL BREACH. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, SO THESE LIMITATIONS MAY NOT APPLY TO LICENSEE. IN NO EVENT SHALL THE TOTAL CUMULATIVE LIABILITY OF ENTRUST (INCLUDING ITS AFFILIATES, LICENSORS, SUBCONTRACTORS, DISTRIBUTORS, AND THIRD-PARTY PROVIDERS) TO LICENSEE OR ANY OTHER PERSON OR ENTITY FOR ANY DAMAGES ARISING FROM THIS EULA, RELATED TO THE SOFTWARE, OR RELATED TO ANY SERVICES PROVIDED TO LICENSEE BY ENTRUST (INCLUDING ITS AFFILIATES, LICENSORS, SUBCONTRACTORS, DISTRIBUTORS, AND THIRD-PARTY PROVIDERS) IN RELATION TO THE SOFTWARE, EXCEED THE GREATER OF THE FEES PAID BY LICENSEE FOR THE SOFTWARE AND FIFTY (US\$50.00) UNITED STATES DOLLARS. THE DISCLAIMER OF WARRANTIES AND LIMITATION OF LIABILITY CONSTITUTE AN ESSENTIAL PART OF THIS EULA. LICENSEE ACKNOWLEDGES THAT, BUT FOR THE DISCLAIMER OF WARRANTIES AND LIMITATION OF LIABILITY, NEITHER ENTRUST NOR ANY OF ITS LICENSORS WOULD GRANT THE RIGHTS HEREUNDER.

7. Term and Termination; Effect of Termination.

7.1. Term and Termination. This EULA shall continue for as long as Licensee uses the Software. EULA will terminate, without notice from Entrust, upon the earlier of Licensee (i) ceasing to use and deleting the Software from all device(s) under Licensee's control; and (ii) failing to comply with any of the terms and conditions of this EULA, in which case Licensee must take the actions in (i).

7.2. Effects of Termination. Any provision of this EULA which contemplates or requires performance after the termination of this EULA or that must survive to fulfill its essential purpose, including the terms of this Section (Effects of Termination), Section 1 (Definitions), Section 2.3 (Restrictions), Section 4 (Third-Party Providers), Section 5 (No Warranties), Section 6 (Limitation of Liability), and Section 12 (Miscellaneous), will survive the termination and continue in full force and effect until completely performed. Upon termination of the EULA, Licensee must immediately cease all use of the Software and delete the Software from all its Device(s). Termination is without prejudice to any right or remedy that may have accrued or be accruing to either party prior to termination.

8. Intellectual Property.

8.1. Intellectual Property Rights. All right, title, and interest (including all intellectual property rights) in and to the Software (including any derivative works thereof, any goodwill accruing from the use of the Software, and any copies thereof) shall remain with Entrust and/or its licensors. All copies shall include all trademarks, copyright notices, restricted rights legends, proprietary markings and the like, exactly as they appear on the copy of the Software originally provided to Licensee. ENTRUST, and Entrust product names and logos are trademarks,

registered trademarks, and/or service marks of Entrust Corporation in Canada and the United States and in other countries. All other company and product names and logos are trademarks, registered trademarks and/or service marks of their respective owners in certain countries.

8.2. Feedback. "Feedback" refers to Licensee's suggestions, comments, or other feedback about the Software. Even if designated as confidential, Feedback will not be subject to any confidentiality obligations binding Entrust. Licensee hereby agrees that Entrust will own all Feedback and all associated intellectual property rights in or to Feedback, and Licensee hereby assigns to Entrust all of Licensee's right, title, and interest thereto, including without limitation intellectual property rights.

9. Miscellaneous.

9.1. Entire Agreement. This EULA is the entire agreement between Licensee and Entrust in respect to the Software, superseding any other agreements or discussions, oral or written, and may not be changed except by a written amendment entered into by Licensee and Entrust or a distributor of Entrust, or as set out in Section 9.2 (Amendments). The terms and conditions of this EULA shall prevail over any quotes, orders, purchase orders, acknowledgements, or other communications between the parties in relation to the Software and the Software shall be deemed to be delivered pursuant to the terms and conditions of this EULA.

9.2. Amendments. This EULA may be amended by Entrust from time to time by posting a new version at the point of download. To the extent Licensee downloads an update or upgrade to the Software, its use of the Software from the time of download of the update/upgrade shall be subject to the then current end user license agreement terms and conditions.

9.3. Choice of Law. Any disputes related to the Software, as well as the construction, validity, interpretation, enforceability and performance of the EULA, shall, (i) if Licensee is located in Canada, be governed by the laws of the Province of Ontario, Canada, and shall be brought in the provincial or federal courts sitting in Ottawa, Ontario; (ii) if Licensee is located in Europe, be governed by the laws of England and Wales and shall be brought in the courts sitting in London, England; and (iii) if Licensee is located anywhere else in the world, be governed by the laws of the State of Minnesota, United States, and shall be brought in the federal and state courts located in Hennepin County, Minnesota. Each party hereby agrees that the applicable courts identified in this Section (Choice of Law) shall have personal and exclusive jurisdiction over such disputes. In the event that any matter is brought in a provincial, state or federal court each party waives any right that such party may have to a jury trial. To the maximum extent permitted by applicable law, the parties agree that the provisions of the United Nations Convention on Contracts for the International Sale of Goods, as amended, shall not apply to the EULA. This Section (Choice of Law) governs all claims arising out of or related to this EULA, including tort claims.

9.4. Compliance with Laws. In its use of the Software, Licensee will comply with all applicable laws, including without limitation data protection and privacy laws.

9.5. High-Risk Activities. The Software is not fault-tolerant and is not designed, manufactured or intended for use in or in conjunction with on-line control equipment in hazardous environments requiring fail-safe performance, such as in the operation of nuclear facilities, aircraft navigation or communications systems, air traffic control, or direct life support machines. Entrust, its Affiliates, licensors, suppliers, subcontractors, distributors, and Third-Party Providers specifically disclaim any express or implied representations, warranties or conditions for such uses.

9.6. U.S. Government End Licensees. The Software is a "commercial item" as that term is defined at FAR 2.101, consisting of "commercial computer software" and "commercial computer software documentation" as such terms are defined in FAR 12.212, and is provided to the U.S. Government only as a commercial end item. Government end users acquire the rights set out in this EULA for the Software consistent with: (i) for acquisition by or on behalf of civilian agencies, the terms set forth in FAR. 12.212; or (ii) for acquisition by or on behalf of units of the Department of Defense, the terms set forth in DFARS 227.7202. Use of this Software and related documentation is further restricted by the terms and conditions of this EULA.

9.7. Export Restrictions. The Software and related information are subject to export and import restrictions. By downloading, installing, or using the Software, Licensee is representing and warranting that Licensee is not located in, under the control of, or are a national or resident of any country to which the export of the Software or related information would be prohibited by the laws or regulations of the United States or Canada or other applicable laws. Licensee is also representing and warranting that it is not an individual to whom the export of the Software or related information would be prohibited by the laws or regulations of the United States or Canada. Licensee shall comply with the export laws and regulations of the United States and Canada that are applicable to the Software and related information and Licensee shall comply with any local laws and regulations in Licensee's jurisdiction that may impact Licensee's right to export, import, or use the Software or related information, and Licensee represents and warrants that Licensee have complied with any such applicable laws or regulations. The Software shall not be used for any purposes prohibited by export laws or regulations, including, without limitation, nuclear, chemical, or biological weapons proliferation. Licensee shall be responsible for procuring all required permissions for any subsequent export, import, or use of the Software or related information.

9.8. Assignment. Licensee may not assign this EULA whether voluntarily, by operation of law, or otherwise without Entrust's prior written consent. Entrust may assign this EULA at any time without notice. The failure of a party to claim a breach of any term of this EULA shall not constitute a waiver of such breach or the right of such party to enforce any subsequent breach of such term. If any provision of this EULA is held to be unenforceable or illegal, such decision shall not affect the validity or enforceability of such provisions under other circumstances or the remaining provisions of this EULA and such remaining provisions shall be reformed only to the extent necessary to make them enforceable under such circumstances.

9.9. Third-Party Beneficiaries. Licensee is notified that there may be third-party beneficiaries to this EULA. To the extent that this EULA contains provisions that relate to (i) the use by Licensee of certain Software in which such third parties have an interest (e.g. Third-Party Providers), or (ii) services provided by affiliates, licensors, subcontractors, distributors, or Third Party Providers of Entrust; such provisions are made expressly for the benefit of such third-party beneficiaries and are enforceable by such third-party beneficiaries in addition to being enforceable by Entrust.

9.10. Language. The definitive version of this EULA is written in English. If this EULA is translated into another language and there is a conflict between the English version and the translated version, the English language version controls. If Licensee is located in Quebec, Canada, the parties hereby confirm that they have requested that this EULA and all related documents be drafted in English; *les parties ont exigé que le présent contrat et tous les documents connexes soient rédigés en anglais*. Some versions of the Software that have been designated as localized or country-specific may nonetheless contain certain components and/or interfaces that are in the English language only.

9.11. Support. Entrust will provide commercially reasonable support for the Software. To the extent Licensee is unable to resolve a technical support issue based on the installation and troubleshooting documentation provided at the time of download, Licensee should contact Customer for assistance (and Customer will contact Entrust if necessary). Licensee acknowledges that Third-Party Providers do not have any obligation to furnish any maintenance and/or support services in connection with the Software. Entrust may, but is not obligated to, deploy

changes, updates, supplements, enhancements or upgrades to the Software at any time. Entrust may, but is not obligated to, provide maintenance and support for the Software and Entrust may terminate such maintenance and support at any time without notice.

9.12. Force Majeure. Notwithstanding any contrary provision in the EULA, neither party will be liable for any action taken, or any failure to take any action required to be taken, in the event and to the extent that the taking of such action or such failure arises out of causes beyond a party's control, including, without limitation, war, civil commotion, act of God, strike or other stoppage (whether partial or total) of labor, any law, decree, regulation or order of any government or governmental body (including any court or tribunal).

9.13. Independent contractors. The parties expressly agree that the relationship between them is that of customer-independent contractor.

9.14. Notices. In any case where any notice or other communication is required or permitted to be given, such notice or communication will be in writing and (a) personally delivered, in which case it is deemed given and received upon receipt or (b) sent by international air courier service with confirmation of delivery to the addresses stated below, in which case it is deemed given and received when delivery is confirmed. Notices to Entrust: 1187 Park Pl., Shakopee, MN 55379-3817, USA. Notices to Licensee: Entrust notice to Customer will be deemed notice to the Licensees related to such Customer.
