INSPECTION OF PRODUCT UPON RECEIPT

The following warranty applies to the peripheral equipment listed above ("Equipment").

You must examine your Entrust™ product delivered to you herewith immediately upon receipt. In the event that any component is missing, damaged or visibly defective, you must notify Entrust Corporation or the Entrust authorized service provider who sold you the product within 30 days from the date of delivery of the product. If you fail to give notice as required, you will be deemed to have accepted the product and waived any claim you may have against Entrust Corporation and/or the Entrust authorized service provider with respect to damage or defects discoverable at delivery.

PRODUCT WARRANTY

Entrust Corporation warrants that this new Equipment will be free from defects in materials or workmanship for a period of 12 months from the date of shipment from Entrust Corporation, or, with proof of purchase, from the date of purchase by End-User Customer, whichever is later. The warranty for a factory-refurbished Equipment is 90 days from the date of shipment or, with proof of purchase, from the date of purchase by End- User Customer, whichever is later.

If the Equipment proves to be defective in materials or workmanship during the warranty period, Entrust Corporation will at its option either repair or replace the Equipment or refund the price paid for the Equipment. Any new Equipment that is repaired or replaced under the warranty will be warranted for the remainder of the original warranty period or 90 days, whichever is longer. The Warranty shall not apply to defects caused by accident, abuse, misuse, use in an unsuitable operating environment, unauthorized modification or maintenance of the Equipment, or the use of peripherals, supplies of software that are not supplied by Entrust Corporation. Entrust Corporation may at its discretion request that defective Equipment be returned, and all Equipment replaced under Warranty will become the property of Entrust Corporation.

EXCEPTIONS

Equipment replacements, repairs, adjustments or parts replacements that are the result of accident, force majeure, abuse, misuse, use in an unsuitable operating environment, unauthorized modification or maintenance, or the use of peripherals, supplies or software that are not supplied by Entrust are not covered by the warranty and will be charged using Entrust's then-current rates. All parts replaced under warranty will become the property of Entrust.
