

MOBILE FLASH PASS DESIGNS

ENTRUST

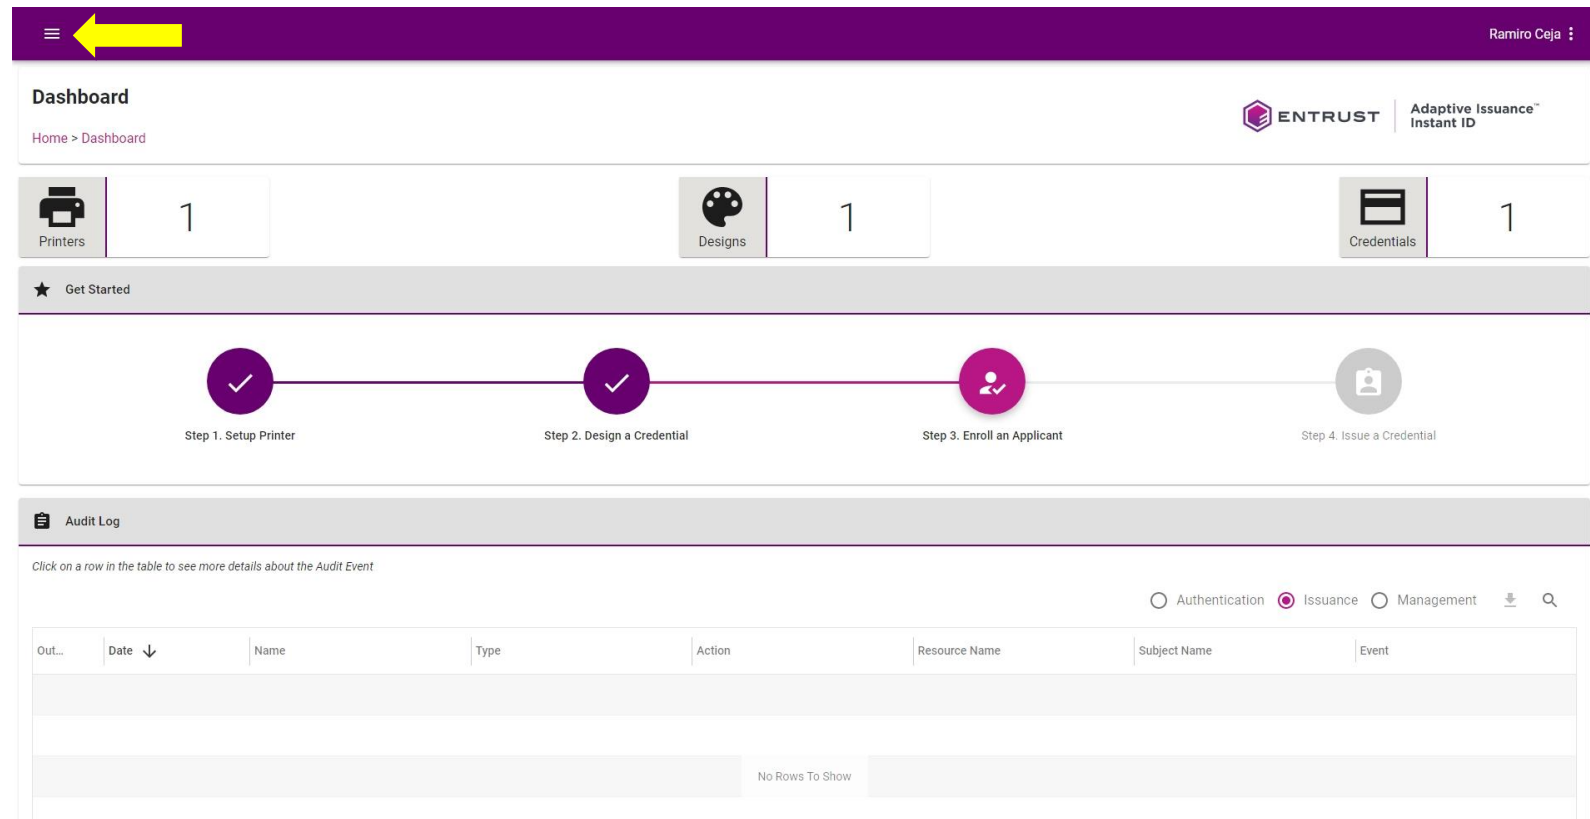

SECURING A WORLD IN MOTION

Mobile Flash Pass Designs

Mobile Flash Passes are digital credentials that contain information about the applicant for identifying the applicant or gaining access to an area. Mobile Flash Passes require the use of either Google Pay or Apple Wallet.

Create a Mobile Flash Pass Design

To create a **Mobile Flash Pass Design**, click on the **Main Menu** icon at the top left corner of the screen.

The screenshot shows the Entrust dashboard interface. At the top left, a yellow arrow points to the main menu icon (three horizontal lines). The dashboard includes a navigation bar with 'Printers', 'Designs', and 'Credentials' sections, each with a count of 1. Below this is a 'Get Started' section with a progress indicator showing four steps: 'Step 1. Setup Printer', 'Step 2. Design a Credential', 'Step 3. Enroll an Applicant', and 'Step 4. Issue a Credential'. The 'Step 3' icon is highlighted in purple. At the bottom, there is an 'Audit Log' section with a table header and a search filter set to 'Issuance'.

Create a Mobile Flash Pass Design

From the **Mobile Flash Pass Designs** page, click on the **Add** icon.

The screenshot shows the 'Mobile Flash Pass Designs' page. At the top, there is a purple header with a menu icon and the user name 'Ramiro Ceja'. Below the header, the page title 'Mobile Flash Pass Designs' is displayed, along with the Entrust logo and 'Adaptive Issuance™ Instant ID'. A breadcrumb trail shows 'Home > Mobile Flash Pass Designs'. The main content area features a table with columns for 'Name', 'Company Name', 'Mobile Flash Pass Title', 'Barcode Type', 'Security Watermark', and 'Actions'. A purple plus icon in the top left corner of the table is highlighted with a yellow arrow. The table is currently empty, displaying 'No Rows To Show'. At the bottom of the table, there is a pagination control showing 'Rows per page: 10' and 'Total: 0', along with navigation arrows and 'Page 1 of 1'.

Create a Mobile Flash Pass Design

The **Add Mobile Flash Pass Design** page opens.

The screenshot shows the 'Add Mobile Flash Pass Design' page. The top navigation bar is purple with a menu icon on the left and the user name 'Ramiro Ceja' on the right. Below the navigation bar, the page title 'Add Mobile Flash Pass Design' is displayed, along with a breadcrumb 'Home > Mobile Flash Pass Designs'. The Entrust logo and 'Adaptive Issuance™ Instant ID' are in the top right corner.

The page is divided into two main sections:

- General:** Contains fields for 'Name*', 'Mobile Flash Pass Title*', and 'Barcode Type' (set to 'PDF417').
- Company Information:** Contains fields for 'Company Name*' (filled with 'Entrust'), 'Company Address*', 'Support Email*', 'Support Phone', and 'Website'.
- Customization:** Contains a 'Background Color' selector (set to purple) with a tip: 'Tip: The mobile flash pass text will be shown using light colors. A dark color background is preferred.' It also has a 'Mobile Flash Pass Logo' upload button with the text 'Upload a logo to display on your mobile flash pass.'
- Security:** Contains a checkbox for 'Apply Security Watermark'.

General

In the **General** area:

- Enter a name in the **Name** field. The name identifies the Mobile Flash Pass Design.
- Enter a title in the **Mobile Flash Pass Title** field. The title will display on the Mobile Flash Pass.
- From the **Barcode Type** list, select a barcode format. This sets the format of the barcode that will display on the Mobile Flash Pass.

The screenshot shows a web application interface for customizing an 'Adaptive Issuance Instant ID'. The interface includes a header with the 'ENTRUST' logo and 'Adaptive Issuance Instant ID' text, and a user name 'Ramiro Ceja'. The main content area is titled 'Customization' and features a 'Background Color' section with a purple color swatch and a note: 'Using light colors. A dark color background is preferred.' Below this is a 'Company Information' section with input fields for 'Company Name *', 'Company Address *', 'Support Email *', 'Support Phone', and 'Website'. The 'Company Name' field contains the text 'Entrust'. A file explorer window is overlaid on the interface, showing the path 'Adaptive Issuance Instant ID as a Service > Mobile Fast Pass' and a single file named 'Entrust' (JPG File, 3 KB). A yellow arrow points to the 'Open' button in the file explorer. A white dialog box is also overlaid, containing the text: 'For best results, select an image that is 200 x 200 pixels. Drag the image and use the zoom slider to reposition the logo.' The dialog box has 'RESET', 'CANCEL', and 'OK' buttons.

Customization

Use the zoom slider to adjust the logo size inside the frame and click on **OK**.

The screenshot displays the 'Add Mobile Flash Pass Design' interface. The background is a dark purple header with a menu icon and the user name 'Ramiro Ceja'. Below the header, the title 'Add Mobile Flash Pass Design' is shown, along with the breadcrumb 'Home > Mobile Flash Pass Designs'. The main content area is divided into sections: 'General' (with fields for Name, Mobile Flash Pass Title, Barcode Type, and Employee ID) and 'Company Information' (with fields for Company Name, Company Address, Support Email, Support Phone, and Website). A modal dialog titled 'Upload Image' is open in the center, showing a preview of the 'Entrust' logo within a square frame. To the right of the frame is a vertical zoom slider with a dot in the middle and magnifying glass icons at the top and bottom. Below the slider are three buttons: 'RESET', 'CANCEL', and 'OK'. A yellow arrow points to the 'OK' button. The dialog also contains instructions: 'For best results, select an image that is 200 x 200 pixels. Drag the image and use the zoom slider to reposition the logo.'

General

Use the preview to review how the logo will appear in Apple Wallet and Google Pay.

Security

Click on the **Upload** icon to select the image file.

The screenshot shows the Entrust mobile flash pass configuration interface. The background is a dark purple color. At the top right, the user's name "Ramiro Ceja" is displayed. The main content area is divided into sections: "Barcode Type" (set to PDF417), "Mobile Flash Pass Logo" (with a plus icon and the instruction "Upload a logo to display on your mobile flash pass."), "Apple Wallet Logo Preview," and "Google Pay Logo Preview." Below these are sections for "Company Information" and "Security." The "Company Information" section includes fields for "Company Name" (Entrust), "Company Address" (1187 Park Place, Shakopee, MN 55379), "Support Email" (support@entrust.com), "Support Phone," and "Website." The "Security" section includes "Opacity Strength" (Medium) and an "Overlap Background (Experimental)" checkbox. A white "Upload Image" dialog box is overlaid on the "Company Information" section. A yellow arrow points to the "Select image file." button in the dialog. The dialog text reads: "Upload Image", "Select image file.", "For best results, select an image that is 200 x 200 pixels.", "Drag the image and use the zoom slider to reposition the logo.", and buttons for "RESET", "CANCEL", and "OK". At the bottom of the page, there is a footer with copyright information and the Entrust logo.

Security

Select the image file and click on **Open**.

The screenshot shows a web application interface for uploading a mobile flash pass logo. The interface includes a header with the user name "Ramiro Ceja", a "Mobile Flash Pass Logo" section with an "Upload a logo to display on your mobile flash pass." instruction, and two preview areas for "Apple Wallet Logo Preview" and "Google Pay Logo Preview". Below these are "Security" settings, including "Opacity Strength" set to "Medium" and an "Overlap Background (Experimental)" checkbox. At the bottom, there are "CANCEL" and "SAVE" buttons.

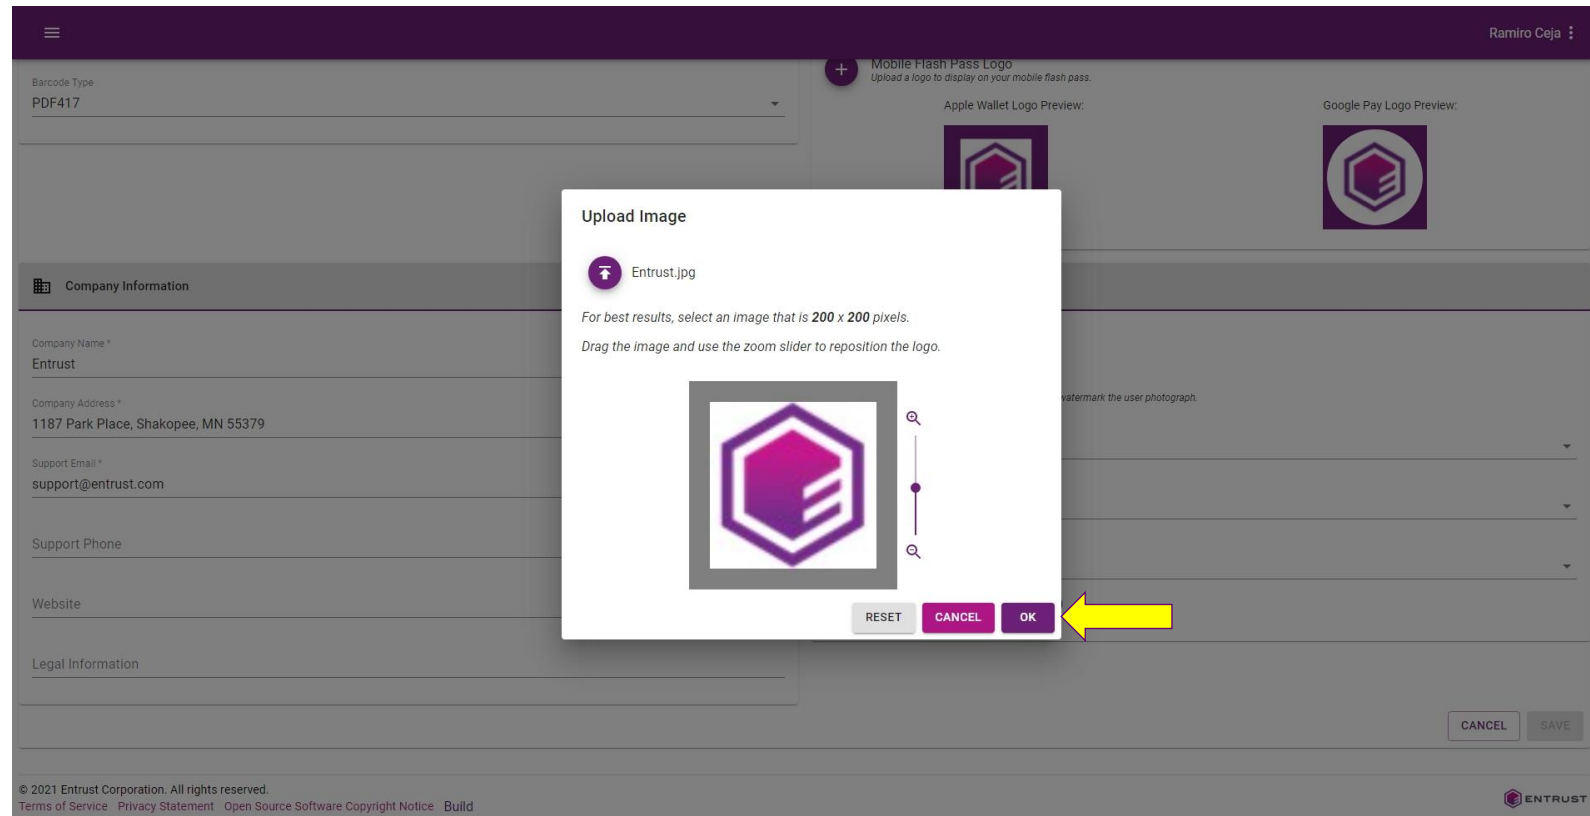

Overlaid on the interface is a Windows "Open" file explorer window. The address bar shows the path: "Adaptive Issuance Instant ID as a Service > Mobile Fast Pass". The file list contains one file: "Entrust" (JPG File, 3 KB, modified 11/10/2020 11:14...). The "File name" field contains "Entrust". A yellow arrow points to the "Open" button in the file explorer.

A white tooltip box is overlaid on the "Open" button, containing the text: "For best results, select an image that is 200 x 200 pixels. Drag the image and use the zoom slider to reposition the logo." The tooltip has "RESET", "CANCEL", and "OK" buttons.

At the bottom of the page, there is a footer with the text: "© 2021 Entrust Corporation. All rights reserved. Terms of Service Privacy Statement Open Source Software Copyright Notice Build" and the Entrust logo.

Security

Use the zoom slider to adjust the logo size inside the frame and click on **OK**.

The screenshot displays the Entrust mobile application interface. At the top, there is a navigation bar with a menu icon on the left and the user name 'Ramiro Ceja' on the right. Below the navigation bar, there are several sections for configuring the mobile flash pass logo. The 'Barcode Type' is set to 'PDF417'. There are preview sections for 'Mobile Flash Pass Logo', 'Apple Wallet Logo Preview', and 'Google Pay Logo Preview'. A central 'Upload Image' dialog box is open, showing a preview of the logo 'Entrust.jpg' with a zoom slider. The dialog box contains the following text: 'Upload Image', 'Entrust.jpg', 'For best results, select an image that is 200 x 200 pixels.', and 'Drag the image and use the zoom slider to reposition the logo.' At the bottom of the dialog box, there are three buttons: 'RESET', 'CANCEL', and 'OK'. A yellow arrow points to the 'OK' button. The background of the app shows a 'Company Information' section with fields for 'Company Name *', 'Company Address *', 'Support Email *', 'Support Phone', and 'Website'. The footer of the app contains copyright information: '© 2021 Entrust Corporation. Configure Mobile Flash Pass

Click on **SUBMIT**.

The screenshot shows the 'Configure Mobile Flash Pass' dialog box in the Entrust web application. The dialog box is titled 'Configure Mobile Flash Pass' and contains the following text: 'To enable mobile flash pass for Entrust, you must choose a mobile flash pass design and map the user data fields to include on the mobile flash pass.' Below this text is a table of user data fields to be mapped. The table has two columns: 'Mobile Flash Pass Design' and 'User Data Field'. The 'Mobile Flash Pass Design' is set to 'Entrust'. The 'User Data Field' column contains the following fields: 'Full Name *', 'Email Address *', 'User Photo', 'User Role', 'User Number', 'Barcode Value', and 'Since Date'. The 'Full Name *' field is mapped to '<Auto Generate Field>'. The 'Email Address *' field is mapped to '<Auto Generate Field>'. The 'User Photo' field is mapped to 'Employee Photo'. The 'User Role' field is mapped to 'Employee Role'. The 'User Number' field is mapped to 'Employee Number'. The 'Barcode Value' field is mapped to 'Barcode'. The 'Since Date' field is mapped to 'Expiry Date'. At the bottom right of the dialog box, there are two buttons: 'CANCEL' and 'SUBMIT'. A yellow arrow points to the 'SUBMIT' button.

Configure Mobile Flash Pass

In the enrollment form, there is a new section for Mobile Flash Pass. This is where you provide the Email Address where the Mobile Flash Pass will be delivered. It also shows you details about the claim status of the Mobile Flash Pass.

The screenshot shows the 'Create Enrollment' form in the Entrust system. The form is titled 'Create Enrollment' and has a breadcrumb trail 'Home > Credentials'. The Entrust logo and 'Adaptive Issuance™ Instant ID' are visible in the top right. The form is divided into five steps: 'PERSONAL INFORMATION', 'CAPTURE A PHOTOGRAPH', 'CAPTURE A SIGNATURE', 'MOBILE FLASH PASS', and 'PREVIEW AND PRINT'. The 'MOBILE FLASH PASS' step is currently active. It contains four input fields: 'Email Address', 'claimTokenExpiry' (with a calendar icon), 'claimStatus', and 'claimDate' (with a calendar icon). At the bottom of the form, there are several buttons: 'PREVIOUS', 'NEXT', 'NEW ENROLLMENT', 'CANCEL', 'SAVE', 'SEND MOBILE FLASH PASS', and 'PRINT QUEUE'.
